You're the perfect mix of outgoing and humble, i wished i could be like you. Road trip and Mood Indigo toh hamesha yaad rahenge, i only wish we'd gone out and partied one(or a couple) more times towards the end. But anyway, you're a beautiful artist and an even more beautiful person and I'm a better person for having known you. Thank you so much for the memories and Keep. In. Touch. <3

Pragya Valay : Hi Hiranya! I had some really good moments with you during our tenure. Baad me milna kamm hua par uss din H10 canteen me bhi baat karke acha laga bahut, laga hi nahi ki bahut din baad mil rahe. I cherish such relations. Kaafi talented ho tum, bas kabhi kabhi kamm confident ho jaate. Itna acha paint karte, Oh God, dekhkar maja aajata. I love the way you are connected to Nature. You are an innocent soul, aise hi rehna bas.

Wagh Tanay Paresh : "Hiranyagarbh"!! Kitna alag nam hai be tera muze to hiranya kashyapu ki hi yadd aa jati hai. Butt!!! You are exactly opposite to that(maybe fictitious 😊) character. Such a simple guy with peaceful mind, with zero greed and just awesome calm soul. What other quality could one ask for in his/her best friend? I will never ever forget the time we have spent together in insti whether we being the Department Heads of GC or whether doing same courses. I will never forget our friendship 😊. 1 aur sal rukja yar insti mai. Muze bohot bor hogaaa. Kabhi bhulna matt.. 😊

Barkale Shubham Uttamrao : Yo Hiranya bhau, you are the one jisko mai insti mai sabse pehli bar mila, reg ke din H8 mai, you are my first friend in IITB. jab H15 mein room mile, mere parents ne hall manager se milkar muze 7th floor pe shift karneki bahot koshish ki thi, jo ki nhi hua. tera helping nature toh sab jante hai, first year workshop ki tools se lekar CS ki book tak sab tune provide kiya tha. first year mai jab hum sath mai kanpur janewale the tab mai bahot khush tha, jab muze pata chala ki tu nhi aa raha tab dil hi tut gya, mai bhi cancel krneka soch rha tha. miss kiya tha humne bahot jyada. but hopefully kabhi jaenge ghumne firse. bcoz of you I got friend like Aniket. I urge you to gain some when we meet nxt time, miss you

Pattisapu Divya : One of my best friends, so good-humoured and so well meaning! You're the glue, an awkward and an easy-to-target kind of a glue, which binds our group together. I like your art and your oh-so-amazing skills at identifying all plant species. You introduced me to the water-hose-made rain, to the NSS gardens and to your cat friends at the temple. It was always fun hanging out with you! Heisenbugler, the squad's gonna miss you!

Prem Agrawal : Bhai..you are a gem, itna humble, down to earth, polite etc etc, Bohut dukh h ki itna late mile apan. Pure last sem infi khele h and khub movies and shows ke discussion, and apki last icha aur ek trip reh gyi, jld hi puri kr dege. Tera cats ke liye pyar ♥ and itna caring h tu. Stay in touch bhai ♥

Trivedi Karan Paresh : Hiranyagarbh Amarendra Narale, you are as edgy as your full name. Tattu, chhotu and batman billa and all the ensuing drama between these cats was pretty much the theme of this semester! I consider myself so fortunate to have someone with a similar love for cinema and stuff...the loads of movies and tv shows we watched together! Our various "philosophical" discussions where we realised we had so much in common. The various outings together, and the Lonavala road trip in particular! We've had plenty of awesome experiences in hostel and otherwise, and I'm glad I had a gem of a person like you to share those with! You're awesome, bro! I'm gonna miss all of this! We'll keep in touch for sure!

Sanit Gupta : Hiranya, tu toh first day convo main hi mil gaya tha and luckily you turned out to be a wingie. Freshie year ke scavy hunt with you and Aniket next level maza aaya tha, pata nahi kya kya jugaad lagaye the apan ne us main. Baad main Tattu aur Chhotu ne bhi alag entertainment karaya jo tere bina dekhne ko na milta. Tattu ko pakka apne saath le jana and Bafu ko definitely ghar main ghusne mat dena. Bahut pyara banda hai tu, aisa hi rehna.

Naveen Kumar Yalal : "Knock knock, Hiranyaaa!" bhai tera door khulne ka intezaar karte karte insti khatam hogayi. Tu wing mein tha bhi aur nahi bhi, teri alag duniya bana rakha hai tune(single room jo tha tera). I really felt good to have shared with you my "'bandi' ka wisdom"(shit) with you, tu dil se bahut accha insaan hai re tu pakka ek din gamer banega aur bahut unda khelega. You've been through a lot and the person came out of it is just amazing, inspiring hai be tu. Tattu tera hai, koi terese usko cheen nahi sakta. Tere paints ko meine use hi nhi kiye thei untill the road painting, jo tumlogo ne use kiya tha. Also, mera type of humor terko har baar freak out hi karta tha, so please grow up yaar.
