Harishankar GK : the mysterious guy! the fitness freak! the attitude guy! I should say I really cherish that Kalsubai trekking with you..u kept me engaged and motivated...I really want to trek more with you...I see you as a dedicated person in whatever you do..I wished we talked more..I don't know whether its because of those mocking I made at you but those were innocuous...all the very best for your fitness goals...stay healthy...let there be a body building quantum computing scientist(unlike Prof. Sai :D)

Chigicherla Venkata Sai Prasanna : Hey Vijay !! thank you for the support and help you rendered me. Liked you Attitude to do anything in your way instead of following the trend. Thanks for inducing in me your nature of being courageous and confident in all actions. Will definitely seek your suggestions in-case if I think about working on my muscles 🤪 Wishing you VIJAY (victory) in all your endeavors and adventures Quantum Physicist !!

Rohit Kumar : The muscles man, Bro I would like to thank you for your advice for bodybuilding and I will try that from the beginning in my PHD. We didn't had much conversation and when had that becomes contravertial most of times. I like your style of living life with attitude, keeping busy yourself all the time and your self motivation. And that sameer hill trekking with you. Those are the things I will miss about you bro... bs bro ak request meri bhi body bnva de 😊.... finally, I wish you bro all the best for your future endeavours. Keep rocking....💪💪

Vishal Vishal : Kaisa hai bro... Body builder 😊😊😊.... Class main tu hi tha jo muh pe bolta tha kisi k, darta nhi tha kisi se... Dance acha krta hai tu.. Wo raat yaad hai na jb hum nacche the Vikas k room main. Bhut maja aaya tha. Aur han wo first sem ka project life time tak yaad rhega muje 😊😊😊. Best of luck for your bright future...
