Pavani Jeet Jignesh : Sriram, yaar apke kai upkar hai humpe, seriously placement me jo madad ki hai apne 🙏🔥❤️. I guess we share a great ordeal of memories starting from KVPY in 11th to last sem. Bhai especially you stalking people on instagram and bhai tere alag level ka obsession with Simba, and teri aur bhala ki baccho jaisi baate and tatti wale pranks. 😂. Surely you have come a long way from shy Sriram (DDP wala blue tick joke yaad hai 😊) to harami Sriram. You have a very prosperous career ahead. FYI tere hypothetical startup me job milegi kya sir ? 😊
