Reshma Sahoo : You are both... My good and bad... To write about you, my 609 diary like notebook is needed... What I will take away from you is " Take a chill pill sister!" Nothing is worth it.. Those 10 minutes in the cab before we catch the train... And lot of adventures.. crossing the river... And thank me for my karela bharta and fried Maggie.. You owe me those.. Your emotional face under that hard notorious moral book has a lot I have discovered.. Someday become someone to use your knowledge hub and conscience to the sufferers.. Your love for Sameer... He should know.. Stay healthy..stay happy "gopabandhu"

Khaire Abhishek Vinayak : Bihari babu, borewell ho be tum. Sala gin gin ke bolte ho, jo bhi ho achha laga tumhe jankar. Waise baate apan jyada samaj ki hi kiye hai, par tum saale NC ki tarah criticise karte rehte ho 😂. Many a times your support was crucial. Teacher's day pe 1 ghate pehle intro likhe the faculti ke woh badi majedar cheej thi. Mere floor mate jiski chair churake balcony ki hawa ke maje lega tha aur jo na jaane kitani chabiya gumata hai 😂. Activism apne ko humesha touch me rakhega. Jug jug jio bitawa

Divya Singh : Hey mere dost or dushman..... Dekh him ab bhi dost h wo bhi ache wale 😊..... Bhot pareshan Kia h tu so sokar sare group projects pr... But phr bhi bear kr hi lungi m tuje Oreo 🍷

Ananya Sarangi : Bitwa Yaad ayenge woh gaane, yaad ayenge woh bitching, yaad ayenge woh PJ. Bas ek safed ghode ki kami hai. Tere saath baat karke mast lagta hai. Kabhi bihar bhi ghuma lena hume. Duaon mein yaad rakhna

Priyanka Gogoi : Socha nahi tha ki pehle din jab mile interview pe tab fir milnge...but wo khushi ji tereko dekhke huyi thi induction day pe convocation hall pe I still can't express...aapke gyan and batyein dono h mere liye amulya hai.....hope we continue throughout our life..

Nisha Satish : My first crush, Rohit! Annd my Food partner<3 Here are few lines for you- "Within your heart, within your soul, find that space, calm and whole, Steer your boat and find your way" Those field trips, and little naps, your Bihari accent. The memories are sweet and gonna stay! Take care Prince:) P.S: I am gonna think of you when ever i eat a banana!

Gagan Gautam : Lagta hai bahut kam interaction kiya hai. Jitna huwa acha tha, waise bhi tum to mere Ghar ke sabse pass ho

Himali Mhatre : Thanks for identifying my talent in "asymptomatic" stage as Aman calls it ! ARoHi ka ek performance to banta hai ! 😎 Gaur se dekhiye is Rohit kolog samajhte hai dinbhar labmein baithke padhta hoga... and I would like to dismiss this myth 😊 lekin I am well aware of my futile effort of running in the lab,managing to snatch your phone, and "successfully" deleting it, only for you to restore it, uss hasi ke chaltein kuch bata bhi nahi sakti ! 😂😂😂

Shweta Naik : Hey Changu!!! 1st year mai tera voh Kulkarni ke liye Pyaar se lekar 2nd year mai tera voh neend ke liye pyaar! Lab mai yeh hamesha milega, kaam karte hue nahi but sote hue! Tera, reshma ka aur mera voh TD654 ka field visit, train mai itne baate ke passengers ko bhi sab kuch samaj gaya tha :P. Tere voh PJs kabhi bhul bhi nahi sakte. Aise hi PJ marte rehna aur sab ko satate rehna :P

Tumul Rai : Babua ho!! udham ta humni k bhaut machawle bani. It was great working around you not only in the team but at various avenues from election to the protests. You have this calm in your personality and the perspective that you bring in is amazing too. We will stay in touch and work for something big for sure.

Aman Srivastava : Rohit, my room mate at H4 and wing mate at H14, always appeared to me as my elder brother.. who always takes care of my happiness. He is a person who knows when I typically call at night to someone who he may be interested to know, but FYI Rohit, despite lockdown, I used to go to my balcony of my house to call... :)).

Sakshi Pandey : Bro.. Pehle toh teri bihari accent bahut miss karungi! Dusra, bakul ma'am ke water supply se lekar project management tak.. Itni bitching ki hai hamne.. Itni bitching! Wo apna puri raat jaagna aur 70s ke gaane sunna! Hostel aate samay life aur career pe discussion karna, aur roz Tera aur Reshma ka jhagda sunna! Bahut maze kiye hain yarr saath me.. All the best for your future endeavors! Bihar ka bhala karna shuru kar.. Ho paya toh mai bhi aa jaungi :-)

Tamanna Meena : Well! you are that one person whom I can look for anytime without a second thought.I have shared with you a different kind of bond,may be "Covalent":P.You know all of my phases and the way we started knowing each other, how can I ever forget that, those night walks and talking about life,past,future and what not. You were there for me through my worst time and argued with your special ones,just to defend me,I owe you alot.You know,I dont have to say that I will be there for you even if everyone loses your side,thats obvious,right?And one more thing, learn to keep yourself before anyone else.You cant just stuck with the -ve vibes around you.Also lets have a trip to some unknown place. Dhol

Satish Dulla : Rohit! u are quite opposite to the image I had for Bihari. I admire ur social service. I barely see u without occupied in the work. We had lots of up & downs in the campus life. Though we spent very less time together, I used to hear all the positives from our common frnds. U were a player who always available for backup for any game. So silent... I could remember ur voice only during class and policy related debates. I never meant to hurt u. I wish u all the best for ur bright future ahead.

Jayeshkumar Dayma : Hahaha...yeap...😂😂 bro but don't worry I'm pure vegetarian now...mai to egg 🍳 ka shape bhi bhul gaya hu...😂😂 u r my 1st & last project partner in Institute...& that great man...😂❤️ kaafi help ki hai yaar tune meri...😂 & yeap friendship ko leke kaafi perspective change hue hai mere...😂 but for me once I consider a friend to someone...he/she always be my friend whether he/she consider me as a friend or not...😂 u know very well how choosy I'm in making friends...👉👉 All the best 🙌💯 for ur future...🌍

Gaurav Kishore Dubey : Bhaia ko pranam, enjoyed in the team of ISCP with you and others , aur bhaiya kya gamcha lapet te ho, sale assignment time pe submit kiya karo last time tak khiskaya mat karo, aur kitabon me kam busy raha kare Laal Salam😁

Thirumal Reddy Vennam : Oh DC, hmesha salaha dene tayar. Gyaan baatna aur sab volunteer mei kaam krna thoda kam kiya kar, apne liye be thoda time rko yaar, u definitely need it. Tere gamche wale look aur bathon se tho doubt saathe he khi Karl Marx ke shyish na aaye. But ur works worth appreciating... Keep the smile u always hava and all the best with whatever the path u chose...
