Rishabh Kumar : Laveeeeeeeesh ! We have shared best firsts that friends can have 'D**ru pina aur bha*d hona'. Baaki to kya hin likhu Goa, Manali, Bandra, Lonavala, Marine drive, Alibagh and ofcourse wing ki back*ho*i and treats sab yaad aayenge. See you soon bro 😊❤️😎

Rishabh Sharaff : Perhaps one of the best initiatives I have seen in my insti life was you requesting people not to waste food through placards, putting the best of an individual effort. It's people like you who bring change in society.

Kumar Saunack : My wing contemporary in cultural's!
I did get to hear a lot from you about the funding for sports and the lack thereof in cultural's. I think that some changes will take place and you will finally complain less about it.
I did plan on watching your play (and possibly participating) in the last semester in PAF. Sadly, plans got derailed, but you never know what might happen in the future.

Anusha Dubey : Laviur!! ❤️ You, Pujan, Nitish and I were and will remain the best Empower coordis ever! 😊 Second year was really fun because of you! I'll never forget my second year's birthday ever, that cake, that einstein t-shirt, that picture containing a lot of pictures XD and all the senti that you've always expressed so dearly :) Tu humari council ki jaan tha, you know how to keep people together and always care for each and every person around! Third year me ko bakchodi ki hai, aaj yaad karke maza hi aata hai :P I wish humne wahi second aur third year ke moments ko thoda aur jiya hota lekin aage life me jab bhi mauka milega, milenge zarur aur wo sari adhoori cheezon ko pura krenge! 🥰

Kapil Khare : Pehli baar aapka naam Inter IIT Captain ke taur pe suna tha. Wahan aap geetika mam ke saath kurte ka baap lene aaye the aur kya mast bakchodi hui thi. Tabse lekar Salim RDX tak hamesha aapke saath maza hi aaya hai. Yaar wo monologue shoot krna reh gya hai OAT me uske liye ek baar aa jana

Patel Sayan : Badi bhayanak cheez hoti hai placements!! Tujhe hi to dekh ke lagta tha ki sirf main barbaad nahi hu mere jaise aur bhi hai! Salimm RDX Bhai kya to fun tha wo bhi!

Aman Jain : Are bhaai, apan ne 'cold drinks' se leke trips, bahut kuch kiya hai saath me. Mera wing ke corridor me ghoomte hue har baar tere room pe aana, aur bas tujhe dekh ke nikal jana yaad rahega humesha 😊. Apan brownie wala prank jarur karenge yar jab bhi reunion hoga

Prashant Jorwal : Kabhi laga nahi tha ki Sophie film me jis bande ko dekhke itta irritate hua uss bande ko agle teen saal dekhke accha feel karunga. You were/are my better half and I feel good by that sentence. You know about that threshold theory, hum usme bahut upar aa gaye. Meri life me itna kuch change ho gaya 😊, sivay kuch log ke unme se tu bhi hai. And ye saath lamba chalega. Teri wajah se teri wing me aaya mein and uske baad to hostel life badal gayi meri. Manali trip was indeed best. Banaras jayenge jaroor..and kabhi bhi ladki se related koi baat hui terko call karunga 😊 and tu sun lena. ♥♥♥

Pyar se kuch bhi Bulao : #myimprovguru Thanks for teaching me improv I know that you know that you are kind and loving 😊 Remember when you are rich which you would be in few months!! 😊😊 Always remember that you are as unique as I am. We have to do business, think of some catchy and funny name in this lockdown. Some funfacts: 1. A big guy with no hair, fat belly, ofc dealing with his obesity and boredom, is one of loveliest person i know on this earth. 2. He has made a record of being a fourthie friend in shortest span. Wish we could have some more days together in insti. Dont just follow you dreams follow insta account @tittokgirl70

Shruti Agrawal : Aapke saath MDGC mei kaam krke bohot maza aaya.. and uske baad jo itni saari treats hui aur itne baar boathouse gye.. 🥳🥳 Aur boathouse jaate time har baar fat-ti thi ki ab aap daraoge😂 Aap bohot achhe ho aur bohot madad bhi ki aapne.. Insti aate rehna, aur treats dete rehna♥♥

Anugya Singh : Hi Lavish! I have heard a lot and lot about you but never could we get a chance to know about one another. But as much as I know you, you're insanely talented and I can say one can always go to for all the help and pep talks one needs. All the best for your future :)

Mustafa Burhani : Cult Orientation me dekha tha aapko machate hue, fir AUV me alag level impress hua tha aapse. Uske baad InterIIT k auditions miss kardiya tha and aapne fir lene se saaf mana kar diya tha, Jese tese in hua and aap jab bhi aate the kya phatt ti thi meri start me. But aapko jaan k laga BC kya mast mast aur pyaare admni ho. Salim RDX se Leke Odomos Roll On tak aur Khali Bench se Leke UNO tak, kaafi maza aaya h aapke sath aur ata rahega. Ye aage jab bhi padho ek call krdena :)
