Aniket Prajapati : Bhutadaaa! PPeeee! That was our conversation always. You were the most cheerful person I met. And you were the one who inspired me for coding. You are a great photographer. Keep up with your work and energy and be in touch. Kurta vaapis dede bhai xD

Pushkar Saraf : Bhutiiiiiii!! We have been friends for 9 years i think. If there is one person in this world i won't mind sharing each and every secret of mine with then it's you even though you'd laugh at them and mock me on them like a chomu aadmi XD :p I am so thankful to have you in my life for so many wonderful years. We have grown so much from smuggling pepsi into your house during a sleepover to drinking at sunny though listening to me rant about my sad love life is a constant :p. From me being the cool one among us during school to you ending up being the cooler one among us in the institute. They say if a friendship lasts for more than 7 years it lasts forever!! I will always be there for you!!

Aayushi Baheti : Bhutaaaada! Itna pareshaan kiya h na tune KD mein mujhe!! Har weekend nikal padta h ghumne. Kya mast banda h be tu! Meri stories pe aise hi reply karte rehna and milte rehna. Mauka mila, toh ek trek pe toh pakke se challenge saath mein. Agli baar Jodhpur aaye toh you know whom to call. With love, chotu <3

Yash Shrivardhankar : Bhutada!! Euuu! I can only imagine boring treks without you! I am really sorry for ditching you for the photowalks and now I really regret them. You are a true travel companion. But anyways your first preference was local people so.. You are gem for photography community in insti! I have learnt a lot from you. Thank me for that photo story bitch. And No matter when and where I meet you in life, i'm gonna roast you xD. Aaple laii vadiv discussions zhalet re. Also thanks for all those tinder tips xD.
