

**JAYA SAXENA**

Energy Science and Engineering  
ISCP

Yearbook  
**2020**

**Aditya Chalise** : We never really got a chance to interact directly, except indirectly with the mentoring thing and Handbook making. All the best for whatever is to come... :)

**Akash Deo** : Hey Jaya, we might have had less memories together but yet whatever it was, it was memorable. Specially the welcome party bum dance 😂. I wish you for success in your coming future.
