Ankit Kumar Kanodia : Pahli baar hum hostel allotment ke time mile the tab kise pta tha ki tu doctor niklegaa. Tere ko predict krna naamumkin hai, tu 5 min pahle bhi koi plan cancel kr skta hai, just for no reason. Tere neend lene ki aadt bahut hi annoying hai, bolega Abhi aata hu 5 min me pr aayega kab ye to sabko pta hai. Bhai pure group ka relief center hai, kisi ko koi bhi problem hoti jake tere room me jake discuss krta hope ki koi solution mil jaye 😊. Bhai Etna unpredictable hai ki acchanak PhD me convert kr liya.

Nishikant Kumar : Hamare batch ka health specialist . Intelligent and most loving guy. and Bhai you are one of them who always ready for help and suggestions. Or achank se plan bnane me master and jb v koi plan bna bhut enjoy kiya hun. College ke bhr v achhe friends bne due to you. Or kafi masti ki. Or Pune ka wo din kafi yaad rhega jb CSK or MI ka final tha 😊. Wish you for your PhD. Always love you .

Roshan Jha : Mere dependable wicket-taker! But not an allrounder!! Aap ki motivation ne najane kitne jeevan sabare hai...kash mein bhi kuch gyan le pata! Ek khasiyat hai aapki.....sab plan/trip me bina hadbadaye last me aana....isiliye tere liye half an hour extra rakhna padta tha! Kismat ne sath diya toh agle 5 saal sath me rahenge!!

Shubham Gorase : I don't remember how many times I have woken up at 7am just to stop YOUR alarm!! I have never seen Kumbhakarna sleeping but I don't think i need to, I have seen you sleeping!! And yeah, your PUNCTUALITY!! I might have complained to myself about these two things, but later I realized, ye aadate kabhi badali nahi ja sakati! Thanks for being a calm roommate, i know youve tolerated my 'beech beech me gayab ho jana'. You were always helping, a planning partner, excellent bowler and Health advisor! Ankit ki epic beizzatiyaan jo tune ki hai wo bohot miss karunga! And yeah, manchu and anzer will always be indebted to you for your help!! LOVE!
