**Beni Madhav Agrawal :** Hey vazir, my 1st and 2nd year wouldn't have been so fun if it wasn't for you, thanks, also, I wouldn't have weird photos from that time too if it wasn't for you too, no thanks for that. I would miss those long train rides/ exam prep with you and punjabi, and the mood i , where we met some great people, iykwim ;) ,and the 48 hour film something, i forget what it was, but i remember the fun we had, it has been a long journey with many ups and downs, but in the end , i am glad I got to be a part of yours , and i am pretty sure will stay for more too. All this makes me wonder how can a stranger be such a big part of ones life. Enjoy dude , make more films please, the world need good movies.

**Siddharth Mehta :** Listen here, you little shit. You're perfect just the way you are. I didn't know you found me annoying, and am disheartened to learn you don't anymore. Since Sophomore year, you've been one of my closest confidants, my co-conspirator, and are responsible for my growth in so, so many respects. You've shouldered me on some many occasions, be it by alleviating my anxieties during placements or by helping me gain the best of Netflix. I hope you achieve all that you seek and beyond. And as always, I'll be there for you.

**Aman Sharma :** The prompt tells me to write what this person means to you. Only if putting emotions to words was as easy as it's been just being in your company. For me the sophomore year was perhaps one of the more tougher years in the insti. They would've nigh impossible to go through if it wasn't for you and Chanchal. Some of the most cherished memories and moments of self realisation have been with you. To all the roofs and the night outs and Laxmi and cancelled plans and the other infi moments, you will be missed dearly. To you, my friend of many talents, godspeed!

Be the same always 😊😊, and please come back on social media 😊😊, so that we can have our heated political discussions again 😊😊.

**Chanchal Godara :** Second year definitely wouldn't have been the same without you. I know I annoy a lot with my indecisiveness but anyways next time milenge, tab I'll choose what to do...just bear with me:p. You are one of the few people who made me comfortable enough to be myself. Thanks a lot for that. Always be the awesome person that you are.

**Khidir Usama Abdul Karim :** Video editing, design, photography your skills are in abundance so is your body :p. Rani yaar, you look and behave more like panda than Panda. I feel ki tenure ke start hostile tha re tu meri taraf but slowly you warmed up despite my nature. One of the bravest and non-judgemental guy, I know, with a helpful nature (placements) and questionable taste (rogue one), please stop taking shit you cannot handle though :).

**Ayush Ankit Singh :** Raniiii!!!! The first of the awesome design trio with whom I got the honors to work with. The ASMP website will always have a special place in my heart. Bohot pareshaan kiya hai uske liye tho 😊. I liked how you were always chill and very straight forward with everyone. But the drunk version of you is by far the best. The pizza at T point would be among the most memorable and crazy moments that I had in my insti life😂. Stay in touch (at least ek social media platform m rehna).

**Naman Jain :** Rani...you are the only friend jisko mene raat ke 12 baje bhi bulao to mere sath laxmi jala tha no question asked..teri aankhe to he hi nashili ;):)...tera vo gaurav ko room se bhar nikalna me kabhi nahi bhool sakta...I Know..ki tune mujhe bhot JUDGE kar rakha he..hahahaha....chal maze kar or apna passion follow kar

**Shubham Punjabi :** Yooo Vazirani, First year was indeed very cool cause of you and Beni. We explored the insti together and had a lot of fun. We enjoyed a lot even planning and arranging those new competitions in our second year. I have always been amazed by your creative skills.. especially in those videos you made and also the one we tried to shoot😂. Stay smiling and always full of heart man, you are a man of strong character who never gives up♥. Also, thanks for introducing me to La la land (still.one of my all time favs🔥)

**Harshit Handa :** Bhai aaj bhi yaad he jab tu tenure ke summer me bhand hoke aaya tha and Gaurav ko dhake maar ke room sa bahar nikala tha 😂😂. Tenure me apna interaction relatively kam hua, but I am glad uske baad apan ne infi time sath me spend kiya ♥ ♥. Tenure me jab chije against chal rahi thi, us time pe bhi tu perform karta raha. I am glad tune jis tarah recover kiya, it requires a lot of courage, uske liye infi respect he bhai 🙏🙏. Tere sath interaction me gossips and bakchodiyo se jyada deep conversation hota tha 😊😊. Apna passion jaroor follow karna ♥, I am sure tu life me infi machaega, aage bhi milte rahege ♥.

**Mufaddal Bhanpurawala :** YO, I can unequivocally say that you were the most integral part of the team since there was precious little we could do without you. I wish, I'd learned some DSLR and video editing skills back then. I always thought we had much more common in terms of ideas, shame we talked so little. I always admire the way you make a point with so minimal noise so much in contrast to me, if only I could do that.
