Kunal Goyal : Yo Jaggu! "Day 1 Jagadeep" se kitna transformation aaya h tujhme, thanks to our wing. But still bahut kuch baaki h abhi. Cheers to our memories in hostel. Ab to Japan ja rha h. Perfect place for an anime geek. Some day, I will surely watch that anime you suggested.

Nilesh Sonune : Yo Jaggu !! You are one of the most humble and nicest guy I have ever met in my life. kafi transformation hua he tere me thanks to the wing lekin the wing would not have been the same without you. It was nice to have a gaming buddy in the group. From life is strange, mini militia, clash royale, brawl stars, aoe 2 to terraria we have a lot of digital memories now :P And thanks for some of the anime recommendations which you gave ! having another anime fan around to discuss them was sometimes more fun than actually watching those animes XD Ab to japan jake NRI ban jayega to bhul mat jana hum logo ko. Touch me rehna bhai ! Best wishes for the future !!!

Saiteja Talluri : When I first met you, I thought you are too silent, but after working together in many course projects, I realized how cool you are, especially your love for anime and games _/__. Your one of the most helpful persons I met and haa watch anime completely (you know what I mean :P). We will anyway stay in touch and don't forget to pick me up when I come to Japan :P

Chaithanya Naik Mude : Jagguuu!!! You're always a part of the most important things that happened to me in insti life.. You're always my saviour. My default teammate for most of the courses ♥ Maybe we got used to work on the deadlines just to feel the adrenaline rush at that hour😄 The long discussions we have always lightens my mood. Ab toh Japan jaa rhe ho.. Kabhi kabhi yaad kiya karo humhe bhi.. 😄 Lonavala trip ka dive scenes will be remembered for life time 😄 Let's plan more trip like that soon..

Abhiraj Sunil Kanse : Aayee Jaguuu! You have chosen the quote very accurately! You have changed a lot through out these years, you went from the sushil jaggu(pun intended) to a care free(you might wanna get control on this as you know what happened😂) and fun loving person. Your innocence has led to numerous funny and joyful moments, hope many more are yet to come. If you weren't there to wake us up before 6 we would have never made it to Sameer hill, thanks! Japan seems the best place for an anime fan like you, have fun at Yahoo! All the best! Stay in Touch!
