Lavish Lavish : Yo Shubham, mujhe lagta tha ki itna kaun padta hai bhai but you made me realize ki idhar aake bhi padna important hai. All your hard work paid off really well, kaafi machaya tune and aage bhi aise hi machate rehna. If one would ask me what I learnt from you in these 4 years I would say consistency. Baki wing ki bakchodiyen, infi wing treats, Goa trio, bottle flip machana, and weighing machine wala prank BC, LIT tha vo. Cheers to the good times and cheers to the many more upcoming treats bro.

Rishabh Kumar : Pata nhi kitni baar hin tune pucch liya hoga ki Bihar me khaiye na, chaliye na bolte hain. Teri wajah se insti ki ek ladki ne 1st year ke 1st month me block kar diya tha mujhe 😂. I'm gonna miss our subtle and very mean fights. Baaki to jitni mehnat karta hai karte rah but laptop se thoda aage badh and chill kar. Also best of luck for UPSC.

Abhishek Singhal : Yaar tere sath kaam karke kaafi kuch seekhne ko mila. Yaad apan ne Hexfest mai poori raat mai app par kaam kiya tha. Treat ke liye tu hi time nhi nikalta tha, mai to free hi rehta tha. Aur Kaafi machata hai tu, aise hi machate reh aur stay in touch!!

Kumar Saunack : Your fights with everyone in the wing, especially Manoj, are very entertaining. No wait, the ones with Sunchu. You even made him shift out of the wing 😂
Your fitness drive in the last semester was surprising, although it was a little too late :p You went home for a month soon after and on the day you came back, the college closed again. Good memories.
Also, good luck for UPSC preparations!

Kethan Chauhan : Hey! Shubham I really like the fact that you have a very easy-going life style, that's the reason why we shared a good bond, if not for the great tenure. You being in the team made it easy to accomplish things quickly in the tenure. Fitness continue karenge Bangalore mein, hope we have more moments to celebrate. Cheers!

Manoj Middepogu : The most annoying person in the wing 😂. I remember all the fights we had. Initially you were calm but later 'oh my god'. you used to eat all my chocolates. you are luckiest person in the wing. congrats for APT again. I will remember you for all the treats u have taken from me even for silly reasons. Learned a bit of sarcasm from you. Don't regret for coming to insti on the last day.

Naman Jain : Anand bro. Yes volley mein kaafi maazein kiye apan ne (until you guys raised height on net -_-) . You are one of the chilliest persons I know (well after Aman), and kaafi enjoy kiya apan ne last sem (especially Manoj ki lene mein). Keep being the awesome person. Also thanks for educating... or well exasperating me with your calorie talks. Kaafi intense transformation aa gaya tujhme final year mein toh.

Nitish Joshi : Yo! I think ham first time mess me hi mile aur uske baad bhi har time mess mai hi mile 😂 Last year mai tera gym dedication dekh ke mai bhi mast motivate hota tha. Stay as awesome as you are aur life mai toh tu machaye ga hi. Good luck and let's keep in touch!

Debanjan Mondal : Hello boi, I will always remember walking with you to our hostels. The gossips about projects, courses, abusing profs, and other aspects of life. Stay the carefree and happy person you have always been.♥

Sunchu Rohit : Yo Shubham! You think I am going to forget you that easily? I still remember all the magic tricks you have shown me :D. Stay chill as always ! Good luck for your future!

Rahul Manglik : TBH you never needed my help in parallel programming assignments except for knowing the deadlines.

Aman Mishra : Yo Shubham bro! It was a pleasure knowing you. Bhai last year me itna fitness enthu kaha se aa gaya tha? Tumhe dekhke mene bhi bohat baar socha gym jaane ka XD. Cheers to the chill max courses. All the very best for your future endeavours.

Ayush Ankit Singh : Haveli p nai aae aur treat bhi mang raha hai, Sharam nai Aa rahi. Yaad hai vo PAF m kaam jo "intern" ki thi 😂😂. Best of luck for the futuree man!

Kumar Saurav : If not for you, I would have crumbled long ago under my brother's authoritarian rule. Thank you for understanding the pain I was going through and helping me out 🙏♂️. I learnt so much from watching you - all those skills have helped me so many times already in the lockdown now. I wish you were here, but I guess I have no choice but to steel myself like you 💪💪.
