Sananda Ray : Hello Rashmi...! You are a wonderful person and pretty. The thing I most love about you is your calmness in difficult situation. I will always remember our movie dates together. I wish we could have arranged a trip after the semester ends. Stay happy always. I wish you all the best for your future. I love you.

Neeraj Kumar Burugupelly : Hello Rashmi !! So to speak, I still can't believe how you became such a close friend in a very short span. You are never tired of laughing upon my lame jokes, am improvising them in recent times. Thanks for the special sweets in several occasions. Orissa trip (I barely felt it like a field visit) in your company was just awesome. Hope you are still maintaining your +ve only blog :P. Keep inspiring with your wisely words :D. All the best for your future endeavors. Lets meet soon. !!
