**Nautatava Navlakha :** The only friend jo jiske saath shayad maxx 4 cheeze common hai but still was a constant throughout insti life. Kabhi bhi raste me mil jaata tha, kuch na kuch karke baat ho hi jaati thi. Oh that E-law end-sem! Kaafi accha teacher, kaafi achaa co, kaafi accha head, kaafi achaa hai insaan hai yaar tu. Always stay the same♥

**Pratyush Ragini Singh :** Remember when we first met? In H15, when we were looking through the list of allotted rooms. I didn't recognise you and you introduced yourself to me. What did I know, that the guy who I ran into on the first day of insti, would become an important part of my life. From our mess talk to our outings, from our insti walks to us emotionally outbursting, we've come a really long way. We've fought, we've made up, we've cried, we've laughed, we've shared, we've cared. It's been hell of a dramatic journey. You're one of the most helpful and kind person I know. And wherever we go, however many years pass, I know I can always count on you.

**Samruddhi Dodal :** Freshie year TF orgie se final year Case Team partner :D Tera attitude bohot inspiring hai, aur tere didi-didi wale constant bakchodi ne placement sem nikalwa diya kisi tarah :) Machana life me aur didi ko yaad rakhna :P <3

**Harshwardhan Mourya :** Bingey, I dont know how apni dosti ki growth itni kaise exponential hui, but i can definitely say ki it was one of the best things that happened to me in my insti life. Cheers to all the time jab apan toh baat karte hue time ka dhyaan nahi rehta tha. Cheers to patte♣️, chai☕, TT👉, everything♥ A year and more to come.. Umeed hai aage bhi aise hi waqt badalte rahoge😊😊

**Milind Niranjan :** Thoda late hu post likhne me but I guess ab deadline k last min submit krne ki aadat ho chuki hai. So I knew you since coaching but we never interacted and I had a completely different image of you back then. Jab insti aaye to pehle hi din se apne help ki. Koi bhi advice chahiye ho to phone k badle direct room pe pahuch jao because we never left with empty stomach from H3. Mood-I k time kafi kaam krwaya par infi bakchodi bhi ki aapke room pe. Agar aap na hote to pata nhi kya hota 1st year k end me. Humare ISMP+DAMP 2.0. Kisi bhi department me advice lelo aapse (IYWIM 😊). Our group's thirst for treats from you never ends. Lockdown k baad treat de dena plox. Will miss those late nights gath

**Divyansh Ahuja :** Its 7 PM, and raining as hell outside. I picked my cell and made a phone call and said "Bhaiya, mujh se nahi hoga ye, me nahi de raha hu ye interview, kuch nahi hoga mera", "Ahuja, \*\*\*\*\* tod dunga agar waha se bhaaga toh, chup chaap interview de, nahi diya toh room aake peetunga" you replied. And the rest is history! This incident pretty much summarizes our relation over the years with you being my all time available agony aunt (aap pehle kyu nahi mile?). Thanks for everything Sharma ji, wishing you a great life ahead. Live long and prosper.(I know thoda late hai but aadat se majboor:))

**Siddharth Singh :** Hello Sky bhaiya, Im writing this for the third time now. Pichle dono baar i exceeded words limit, but this time I'm gonna keep it short. So, you are the best mentor I could ask for. You believed in me and treated me like a brother, and You'll always be my brother. The 'one' for us twelve. You made it so easy to fit in, all the meets and the treats and obviously the night walks. You always had a solution. You are an amazing person and also really good at what you do. I look up to you. All the very best aage ke liye, vse to your flat is our proposed adda, pls allow that, haha. Amazing memories but i know there are still a lot more to come. ^\_^

Ek baar aapke against score karna reh gaya(H3PL me) and one last thing.. I wish ki Liverpool iss saal bhi Premier League nahi jeetegi!

**Kaustubh Talele :** Yo roomy. You had been my roomy only for 2 yrs but you were the best. You sacrificed your single room in your final year so that I could stay in the wing, it means a lot to me. Teri GPLs sabse jyada memorable rahengi. Football khelne lage tab noob se start ho kar pro goalkeeper ban gaya tu. Aur bahut kuchh hai lekin is wakht itna hi yad aa raha hai. We have been in D4 to you expressing frustration about mine and Swarali's RG :P to SMP (Sabse baat to aapse hu hui hai as a DAMPC :P) But I remember the time when we had the most fun and that's for sure Mood Indigo! Night galas and random ghumna and random plays! You are the most chatty and lively person! Aise hi rehna hamesha!

**Siddharth Pradhan :** Hey Akash! What's up? Zyada senti nahi karaunga, but to be honest you are one of the most "real" people I know in the insti. You are a shade of innocence mixed with immense maturity while bearing a very positive outlook towards life. Maybe that is why you are the only senior apart from my ISMP whom I approach for any "fundae" :) So thanks a lot for always motivating me and helping me out through everything. And ha almost forgot, you are also one of those rare goalkeepers against whom I (don't know how) have managed to score a legit goal 😊 I'll miss being your (only) hope in saving some goals! Anyways, have fun, stay as you are and Suarez ko yaad rakhna ;) See ya around!

**Sarthak Nijhawan :** Akash sir, the moment I interacted with you first, I knew you were the perfect fit for the position, & I don't need to stress enough coz u've proven to be way more than that all the time since we've come along. Ur energy & willingness to take the initiative is just impressive bro. I've never seen you take up any task grudgingly even when u guys had to go beyond ur quota to making time for helping the sole-DAMPCs conduct interviews, after putting in so much time in our own. Hope you do great in your career. Keep pressing on as you always have. Aur han yr, treat reh gayi.
