**Shivam Sharma :** Grabbing shirt Collar, forcefully making me to give interviews. Night 3 am, waiting for interview result, and facing my rejection anger. First person with whom I've shared that I got placed were you and Chandranshu. Senti matt ho. Hai toh tu harami hi. Bhai Bhai. Remember the Dance, invitation, mess late dinner, when we were giving invitation to all our batchmates. Aaj bhi video ki tune ears mai hai. ND Last mai Saouraj scene.😂. Koi aaisa kaam hai insti mai, jo tune na kiya ho. Certificates , kilo ke hisab se. Resume mai delete karna padh rha tha tuje, itne materials the. Remember resume verification time pe, our rooms were like Control Room. 🤔🤔

**Tanisha Joshi :** Heyy Mannuu! You know the best part about you? You always carry a contagious smile. Never loose it, I hope you bring those same vibes to Bangalore too. You will be the coolest colleague I am sure :D And thank you for everything, even driving all the way to Delhi airport on the day of your sangeet (yaar tu bohot accha he, I still feel guilty about that day)! Stay the same. I will just be a cubicle away whenever you feel like talking :)
