

## PRABHAT RANJAN

Energy Science and Engineering  
Hockey | Team Shunya

**Bhishma Dedhia :** Insti ke pehle din jab tu mere se bola tha "Dekhega, toh dar jayega" tab hi pata lag gaya tha ki yeh bandhe ke saath 4 saal infi bakchodhi karenge. Couldn't have asked for a better roomie throughout insti life. Apna spectrum of discussions during nightouts was truly unbounded. Thank you for being there through all ups and downs. Rarely have I seen a person as passionate and obsessed as you. I have learnt a lot from you throughout these years. Future mein bahut machaane vaala hai tu and jab dhamaake karega, tab apne iss roomie ko yaad karna. Love you bro <3

**Apoorv Srivastava :** Sunny yaad hai? Kya mast hath se signal de kr managate jaa rha tha bottles, fir rest is history. Infi foreign trips kr liye bhai tmne to. Paris me mere kaafi paise bachaye tmne (galat tickets le kr kharch bhi ho gye thode se :p). Itna broad knowledge base hai tmhara, mujhe bhi sikha do kaise krte hain aisa. Tere se explore krne wala attitude sikha bhai mai to. Team Shunya wale discussions bhi kaafi sahi the. Infi machaoge aage bhi, bs bade aadmi bn k bhul mt jana. big fan.!!
