**Sushil Khyalia :** god \_/\_ thank god (you?) teri cs me bc ho gayi otherwise idk mai kis ke saath team banata (kartik meri cpi dekh ke kabhi nahi banata) and kaun mereko ek din pehle sab padhata. also thanks for being humesha ready to go out for dessert. finally Miami plans 6 saal se wait kar rahe

**Aman Mishra :** Gaawwwwd \_/\_ Squash me pro! Ab to dono haatho se keyboard bajane me bhi pro hone vaale ho xp. Yaar, so much fun to be with you! Not related to insti, but do you remember when we met for the first time? 8th std. some inter-school quiz, you came with Manan. Tabse hi fan hai aapke sirrrr \_/\_ Lockdown khulte hi milte hai. P.S. First year me maine pata nahi kaise vo videos banwa liye the, please delete kardenaa.

**Nilay Pande :** Yo Syamantak bro!!! Our academic journey at insti has been eerily similar man. Same cpi, same electives, same 3rd year internship, same BTP advisor, etc. You are one of the most humble, nice and good hearted guys I have met in insti. Although I have seen you laughing at dark jokes a little too hard xD. Sorry for creeping you out at times, you can read my mind and the double meaning jokes really fast. I really treasure our friendship man. Always remember, I am the one who introduced you to drinking and not that gal at internship who you give credit to. I am pretty sure our paths will continue to coincide ahead and will keep meeting each other. Baaki I don't need to say, we will be in touch.

**Rahul Agrawal :** Bhai, 10 saal se jaante hai apan doosre ko! (lol, kafi jyada time). 7th me CFC me jab pehli baar mile the tab i am sure we couldn't have imagined itni similar journey hogi apni. Tu iklauta dost hai jiska landline number abhi bhi yaad hai merko lol. I have always been a fan of your hard-work and dedication. It has been a great motivation for me at times honestly. Ab to bigad bhi gaya hai tu :P. Milte hai sab log jaane se pehle, baaki Vegas wala plan yad rakhna :P (midway hi hai, i checked :P). Touch me to obviously rahenge, and keep slaying it! You truly deserve all of your achievements.

**Naman Jain :** God \_^\_. Thanks for being an amazing friend through the years. We have come a long way from those D1T2 physics discussions with all those quizzes, midsems, endsems, food outings, desserts, movies. Popcorn+nachos+coke is love -- let's do that more as soon as possible. It's not even possible to imagine for me how my instilife would have turned out without our friendship. Also as you are losing the bet -- it approximately costs 4k for the brunch.

**Animesh Bohara :** Yo God \_^\_ !! I haven't met anyone more humble and friendlier than you. Exam se ek din pehle tu sabko padhane ko ready rehta hai. Har course ke mere almost saare doubts tune hi clear kiye hai xD Ek sirf tu hi hai jo kahin bhi khaane ya dessert ke liye hamesha ready rehta hai. Rahi mere prom pe jaane ki baat, humara prom ke din ka plan bhul gaya tu? :P You know my philosophy - Bros before ...(you know the rest :P) tujhe dhokha dekar prom pe kabhi nahi jaata. And ofc, humare summer plans bas delay hue hai, cancel nahi :) Always keep in touch bro, kaafi trips karni hai abhi saath me!!

**Kunal Goyal :** Yo mantak! Thanks for mujhko exams ke last day itna kuch padhane ke liye. You are too good yaar. I think, you are my only friend in insti with whom I could never do a team project ... jab last sem me finally saath team banayi tab project cancel ho gya ... lol Europe me to humne bahut maze kiye. Those will be memories of my lifetime. Remember that Mexican girl who asked you for your number but you didn't give 😊(I am gonna leave it like this :p). Ab to US jakar ladkiyon me khelega tu. Bas udhar jaakr yaad rakhna humko.

**Deep Karkhanis :** Bro!! We probably interacted most in the past 2 months. But still you have been helping since much before that. Last moment notes dena, doubt clearing aur projects main help karna... Thanks a ton. Plus your humility is off the charts bro.... Let's hope we get to start our MS this year itself....

**Eashan Gupta :** Yo Mantak bhai.. kitna chill banda hai tu yaar. You are one of the most helpful and patient people in insti. ED se EE se MA, sab terese hi padha maine. Kabhi bhi kuch problem ho, humesha available ho jaata hai and patiently explain karta hai tu. Sabse zyada maza humne Europe trip (cum intern) mein kiya :) . Tumhara toh paper bhi aa gya :) . Lets keep in touch... Best of Luck

**Umang Chhawchharia :** Yo Mantak. Apni first year ki first day ki walk yaad hai mujhe us din se itni zyada memories hai ki yaha likhna hi useless hai. The funniest will still be eye to eye though :p I am still grateful to you and your mom for the kindness you showed us in Jaipur. Agar koi mujhe who is the most caring and helpful sould you have met, I think I it will be you. Humesha aise hi rehna dude, apan touch mai toh rehne hi wlae hai no doubts there :)

**Yash Sharma :** Heya! Thank you for being a senior to look up to, and being available for all the mentoring one could need. Good luck!

**Ishan Tarunesh :** Arre sir aap to mat tareef karo. You are so smart and so so so much more humble as a person. Dost shayad late se bane but Khan sahab se aap ke kisse to kaafi sune the. I admire your work ethics to finish the thing you started even if you have to stay up late everyday. You not only completed your part but helped me complete mine also. Project se jyada maza lekin model ke generated hard hitting sentences ko dekh kar aaya. Your humilty and hard working nature will take you to great heights. PS - Parso ke baad thoda aaraam kar lena itna kaam kar rahe ho.

**Kartik Khandelwal :** Yo Mantak God /\. apan ne almost sare courses mein sath mein team banayi hain (i think resume mein apna key projects section almost identical hain xd), aur tere bina main sushil ko kabhi nahi jhel pata Bro-Code mein (remember that disaster CV team) you were the glue that held it together . really missing the bro-code infi late night trips to hiranandani in the midst of assignment submissions and exams. Bro tere bina to mere kitne hi exams nahi nikalte (remember that HS midsem in 3rd sem?). You are one of the most helpful and empathetic person that i have met in isti. P.S. abhi lockdown khatam hone pe tereko pakka se ppo ki treat deta hun, sushil ko main mana lunga.

**Saiteja Talluri :** Yoo God \_/\_ !! Tere jaise caring and helpful person ko insti me nahi dekha. Exams ke just pehle your tutoring sessions (though mai kabhi nahi aaya :P) were really famous . Late night canteen ka discussions tho bahut sahi hai, kaha start hotha hai kaha end hotha hai patha hi nahi chaltha (haa that fruit beer was nice :P). Wish you all the best in the future. Let's stay in touch :)
