Teri voice ke baare me to kya kahu me I can never get tired listening to your melodious voice. You are in my list of constant friends and will always be. Big thank you for bearing my bakwas on whatsapp. Thank you for understanding me and believing in me. Thank you for helping me in clearing my doubts, be it at 3a.m. I know we aren't going anywhere so no point of asking to stay in touch. You are brilliant, hard working, intelligent and most important a TRUE FRIEND!

Abhishek Datta : Humara khudka Kumar Sanu. Zindegi me ek cheez zaroor try krna, Ravan ka acting. Perfect hoga, trust me. A very kind and polite guy. Humare batch ka Chinmay bhaiya. Mera birthday bhoola toh ekdam ghar me jaake bawal hoga. Cake ke cream ka poorna istemaal koi inse seekhe, apne mummy ko bhi nai chora. Wish kisi aur ka lab choose krta. Chal jo hua so hua. Enjoy life.

Titash Baidya : You are the "Kohinoor diamond" of our batch. What talent doesn't you have?? Each and every topic in study, a terrific programmer, efficient practitioner of classical music..bhaai, you are indescribable. I haven't seen anyone who is good in every aspect. Still miss your songs. I will owe you forever for getting me out of the assignment problem at the last day of submission. You are completely selfless...broken every boundaries of friendship. Always helpful and cheerful. Even during frightening others.....miss you brother.

Bhawna Bhawna : Hey Rohan ! Another important Odiya in my life... Before coming to IIT I never knew anyone from Odisha and now i am sure of one thing that Odiya boys are very very shy yet sweet, caring and humble.. and yes we made a hell of memories in CDRI and i will always cherish those night walks in CDRI campus when u used to sing for me and Neeraja.. Because of you two, it was easy there.. I wanna thank you for always being there and listening to my badbad.. Gruop studies were meaningful because of you otherwise it was just Pordip ki bakwas.. Take care

Sayan Roy : Rohan, your voice is great. And your decent behavior makes you even better. I loved how you were gentle and simple (although you didn't take any comments on Orissa, I remember that geographic location wala fight over Rosogolla XD). Be the good guy as you always are. Love you bro :-)
