Anjusha K : Jazz😊 I'm so privileged to be "the roomie" of urs😊.. We have a pile of memories together. First time when we met in IITM, you seemed like a well disciplined girl (later I understood it was just bcoz u were with parents 😂) You made my life in Mumbai easy.. But initially I was really confused if u r joking or seriously saying something! it took some time for me to decode the meaning of your tone! 😂 Then I started laughing at evthg! 😂 Sorry for all the losses bcoz of me !(including ur phone) I got another home at mumbai bcoz of u.. ♥Aunty and uncle.. ♥ They mean to me a lot. And ur grandma too😊 ..I should say ankur is the one made our bond stronger! (No.. Not like that😂) Bitching about

Neeraj Kumar Burugupelly : Hey Jazz! Am very fortunate to have an annoying sister like you. There are very few people with whom I share everything and you are one among them. I really miss those early morn waiting sessions at badminton court, BnB pizza hangouts, your weird interim isolation breaks, Dmart trips, our routine discussions.. I remember I am more tensed during your placement interview than mine. I know I am d one who tormented you the most, well I take it as an honour and would continue to do so undoubtedly.😊. Thanks for being my support system. I will be there for you always. There will be many things we will collab on soon. It's just a beginning, we have a long way along. Till then take care!

Debiprasad Bhakta : Jasmine Lokesh from VJTI is still confused about which lokesh you are talking about😊.Actual baate start hua chota sa jhagra se (though it was not). Then it was flawless and the good thing is that I can share anything with anyone of us including you 3😊.You have a strong character and can face and cross any hurdles👊👊. But I feel ki sab time pe utna ziddi nahi hone se bhi chalta😊. Still I don't understand why you used to disconnect from everything for days. But everyone has their own ways😊. CC lab me bhot bake hai, kya kya pata nahi😊. Academics k baare me toh needless to mention🙏🙏. Gana nahi sunayi😊.Milke sunenge. Best of luck😊😊.

Mohd Raza : The calm composed Jass. A girl who doesn't do things just for the sake of doing it. Wisest person i have ever met. U are an amazing listener and u understand things even without saying anything. Always concerned about others wellbeing & someone who is not even a little bit materialistic about anything. U underestimate ur guitar skills and u are more talented in composing songs (song for Bhaskar). I am inspired by ur perseverance in understanding things deeply be it studies or something else. Discussing any problem with u solves half of it. U are a Gem (praising because u are not a narcissist like me) and yes u never let me sing on your Karaoke mic properly :p

Suchismita Das : Jazzz! Thane ki Taylor Swift. The forever wallmate partner who never wants anybody to take a peep to her messy room. I can never forget that that HUGE lock on your door every time i entered my room. "Ye ladki soti kab hai " was the constant question that nagged me whenever I saw the HUGE lock. Those karaoke session were damn entertaining. Still remember Anju holding your Guitar as a Sitar so confidently. During first year, CC lab sessions were the real ice-breaker. And stop over-reacting on your poor organisational skills. Your room isn't messy. Keep writing songs, the one you wrote for JayaBhaskar was lit af. Stay in touch through your weird ways. Love ya <3 <3

Ankur Tiwari : Jassu... wierdo... You try to be very mature but there is a kid inside you. Whatever people say but I really enjoy the cuss words from you. It's a pleasure to take you forcibly into a plan for movie or anything. You pose very straightforward and practical but deep down I know how much you fantasise. The care and love for ur friends you might not just show... But it's there multiplied by several times hidden... We know... How I met u for the first time in front of Civil Department... And u said u live in Mumbai , frm kerela but will stay in hostel. You have never failed to surprise... I feel content to see u smiling. You are a gr8 friend and multitalented... Apni masti jaari rhegi 😊

Ramakanta Behera : A strict girl, with Hifi English knowledge and with heavy political knowledge is all what i believe previously. But later when we have the trips together, i found the singing, dancing, guitarist jazz also. You girls are really awesome. The karaoke mic u have is also superb🎤. Will miss the lonavola outing, specifically the balcony discussion and the insta boomerang. I am still laughing thinking those moments. Your's mobile camera is like dslr, and the most demanded one📷. Thanks for capturing all those moments. I wish you a bright future ahead. Keep smiling and enjoy the life.

Manish Yadav : First time naam suna Jasmine, laga bandi punjabi hogi, fir pta chala nahi ye to malyali hai, but phir twist ata ki bachpan se hi Bombay main rahti hai, 😄😄😄, itani saari languages per command karana ye jassi ki hi baat hai. I think maine apni life main itni serious ladki kabhi nahi dekha, morning main 4 am per study karne ke lia uthna😄😄😄, I don't know ki ye kitna sach hai, I remembered that marine drive night out, fir pta lagga ki nahi ye serious bacchi to bahut hi jada serious hai😄😄😄. Best of luck for future

Hasan Rassiwal : Hey jass, first of all bolna chahunga me akdu nahi hu, Dosti ki shuruvat ISCP se hui thi but ha apni pehchan ho chuki thi when i was contesting for DPC but at that time i was scared to talk to you. I always saw a smile on your face no matter what the situation was mainly at the time of that proff scene. Zyada time toh nahi bitaya apan logo ne sath but ha jitna bitaya those were the best ones of my insti like moodi, Shadi me pakka bolaunga bus tu mat bhul jana bulana, Touch me rehna jass and bst f luck for new journey 😄👍

Lokesh Mangal : Hello Lokesh😊 Matru Suchi ne mujhhe kaafi pareshan kiya hai tumhare name se 😊. 1st yr. Room m jo likha hua tha wo maine nhi likha tha, do not worry tumhari expectations safe hai. Tejaswini Satya Chinthagunti : Hey Jazz! We haven't met much in the first year before lonavala trip but as soon as we met, we clicked instantly! I enjoyed spending time with you guys in almost all the trips. Not to forget our corner place in mess where we used to meet often and had our share of wisdom 🤔. Red mud is for sure jinxed. 😊 I wish you all the very best for your future and lots of love to Geotech fam for making my MTech journey fulfilled and adventurous. 🥰

Rajiv Kumar Saw : J Lo. First of all your DP is very graceful. Sometimes When you give an annoyed look, it doesn't scare people rather it looks very pretty. A studious girl with lots of dedication, what I heard about you from peoples. But you also have different shades. Tune guitar bhi nhi bajaya aur gana bhi nhi sunaya kabhi. A: The most happening thing was the memories created with you guys. In the end " who cares If one more person goes out from your life of many peoples " :- well I do. So, Be in touch as far you can & Best wishes for your future.

Onkar Kanthale : Hello Jasmine, kaisi ho aap !! Pravin Telang : Jazz, I'll always remember how we first met 😊. That day I came to know that you are a very determined and soulful person. Ani jevha mala kalala ki tula Marathi yete, bas mag kay havay, jhala apla bolna suru. Ani khup brobr matlis tu ki apan bolaichya weles kahi vichar nhota karava lagat, sahaja sahaj nighun jaicha. I'm grateful for all the talk we had. Tula chocolate dyaicha rahilach, let's keep it pending till we meet next time. Ani ho, lagnala yaicha bara ka 😊.

Tarun Soni : Hey Jasmine 🙌!! Initially I thought you are very serious kind of person. Now i know you enjoyed too. your politcal also gives one aspect of thinking, thats good thing. we are in the team of treasure hunt , that was really good and exciting event. Your help during Moodl is admirable and I really thankful to you for that. All the best for future and stay in touch 🙌

Matru Prasad Nanda : Well all we talk is nonsense!!!!!! and only we both can because its the privilege of friendship to talk nonsense and to have her nonsense respected. And let me tell you that progress isin't made by early risers. Its made by lazy people trying to find easier ways to do something. And... I have to give it to you jazz. You made me believe the 5A.M club- Own your mornings and elevate your life is useless. One request.... The brand new gum soles and the badminton racket you have.... kindly donate it to somebody who actually plays. They are of no use to you. Rather sell them and buy extra pillows. Your room is exactly how a boys hostel room looks like. Pity that you stay next to a girl who has OCD

Radhika Pajgade : Hey Jasmine..! Khup mutual friends aahet aaple(VJTIwaale).Another marathi mulgi(though malayali).PhD la admission gheshil tevha sang..lthe PhD keli asti tar we could have spent more time.Our discussions in mess will be missed.Bhetat rahu aapan..Stay in touch..All the best for future..! 😊
