Bhawna Bhawna : Hey Sumedha ! You have a golden heart and you are very down to earth.. I enjoyed talking to you about clothes and family and facepack and what not.. I will miss you and i love you.. Take care..

Soumili Sarkar : Hey sweetie.. U'll always be my favourite junior despite sharing two years in the same batch. I have admired the way you have groomed yourself into a fashion fanatic. Hardwork and dedication koi tujhse seekhe. Your room was indeed a place where I could pour out my gloomy days and imbibe the positivity in return. Special thanks for taking care of Neeraja :) Leave behind your self-doubts. You do have an amazing voice so never hesitate to share that in public. I love you and stay in touch

Sonali Singh : Hey Meow, you are the most honest person I have ever met (but thoda professionalism bhi seekh le aage kaam aayega 😊) you know there is a cute little child inside you....I love the way you were sneaking in Priyanka's room(just like a 🐭). You always with me in good times and bad times, thanks for that. I'm very glad that we share this bond called friendship. You are love baby ♥ always stay happy 🥰

Priyanka Aggarwal : Hey Sumedha! My neighbor roommate, and an innocent friend. I miss the days we used to walk late night with songs aloud, studies till 4am, #We3ASIGirls, movies, Starbucks, Galleria.. my apologies for not visiting Sula and making more amazing memories there, but the memories i have of our hostel and campus are enough to cherish forever. Hope to see you frequently in Bangalore.. 🥺
