**Aman Sharma :** Yo Gunu!! Just so tough to write a senti for you, perhaps because it's so tough to accept you won't be there for backchodi anymore. Where am I to find a research enthu, metal, movie and lit connoisseur like you. Your energy is so damn infectious(fun to use the wrong words at the wrong time) simply owing to the fact it's hard to leave your company. The only regret I would have is to have not met you earlier. Hope to see you soon!

**Mrigank Ashesh :** Shubham bhai I am so confused ki kya likhun. You have been an important character in my life. I have met a lot of people because of you. I will miss our dine outs and treats. Stay in touch. Yaad rakhna bhai 😊

**Apurv Tiwari :** Gunnu yayyyy! Haan itne sare fandoms share kare hain, and mera sara anime knowledge tumne diya hai, and wo 5 minute mein tokyo ghouls dikha diya :P Infi movies, outings, desserts, sushi, random mumbai bhraman, film museum, and jahan bhi jana hota tha tumko pakad ke le jata tha main hamesha. And ghanon lambe gossip sessions literally, pata nahi kitne sare logon ko humne insti ke alag alag puraanon se vaakif karaya hai! Chalo ab to ban hi jate hain RA :P

**Krishna Wadhwani :** Yo Shubham!! I really cherished our bond over ludo, wrestling discussions, gossips, Mitran da dhaba outings, etc. I always enjoyed your company and friendship♥️. Will definitely miss you 😊 and we ought to renew our great ludo war sometime😁 so I can extend my 7 win lead😁.

**Kushal P Yadav :** My god that video xD xD. High dreams the apne :p. But our wrestling conversations were dope. I still don't know why you hate AJ Styles :( Ending with a WWE line : "I wish you all the very best for your future endeavors"

**Sowmya Ravichandran :** Hey Shubham! You're really cool and I wish we had interacted more in between our first year and final year :P. I had a lot of fun with you during Litfest, thank you for that <3 You're a really unique, quirky person and I love how you embrace that. Continue being awesome and stay in touch :)

**Harshita Verma :** Hi Shubham!!! If I'm right I first met you when I was looking for a male actor for H10 film GC :P and we got you :P we also bonded on both being from jaipur :P . It was really fun shooting with you :D . And after that it was always nice and funny to meet you. You're a very nice person by heart n funny too :P stay the same n stay in touch :D All the best fro future :D

**Pratik Prabhakar Wasate :** I guess our interest in pro wrestling was the first thing that helped us to get along. You were just like a child in the first year, living away from the home for the first time. But you got comfortable with hostel life easily. I enjoyed my insti life with you. Suddenly you used to start singing out loud, it was irritating sometimes. I still remember how during exams Vaibhav, Aneet, Tak and Aditya used to come to our room for group study and end up spending whole night on Omegle. Freshie year ki adhi SPI tho Omegle kha gaya ; 0 Research enthu kam mat hone dena. I'm sure you will do great thing in your life. And please stop taking advice from Pasha(Nishant). All the Best for future.

**Shreshth Geevith Thindiyath** : 3 words. Coolest senior ever 😂 Kuchh bhi boldo, aapke saath har conversation came with lots of shock (and entertainment, but also SHOCK) value 😂😂 Thanks for all the advice, anime recommendations, late night lukkha, 18 ke breakfasts, gossip and even that one thappad! Whenever you see this, insta par dog memes ka spam zaroor bhej dena ♥️😂

**Twinkle Kerketta** : I cherish, every single moment with you, though I won't lie u were sometimes hella annoying and u kn, what annoys me the most, was you being super understanding, I mean is that even humanly possible( don't take me in a wrong way, I m not appreciating you)... Where, on my part, I didn't even knew the word understanding.....and yeah!! Off-course ur constant blabbering of wrestling, manga and some historic moments( and god knows what not)...but, u kn most fun part being with you...was teasing you... OMG! What I won't give to have those moments back.... So, before signing off...I would like to tell all the beautiful ladies out there...that he is my MAN, so stay the hell away from him..
