Ankit Kumar Kanodia : Yaad hai wo din jab tune call kiya or btaya ki tu Bombay se Mtech karne ja rha hai. Mujhe lga bhai BTech ki tarah hi hoga but bhai tu to avinash 2.0 Nikla. kisi ko kya khana chahiye kya nhi khana chahiye kab khana chahiye koi tujhse sikhe. Bhai ne 2 rule hmesa follow kiye hai pahla sabse pahle nasta krna or dusra raat ko 12 ke baad canteen nhi jane wala 😊. Ek khaash baat ye hai ki m tere sath koi bhi secret share kr sakta hu without any doubts. Apni sabse best memory wo hai jab exam ke baad hum (you,me, Akshay, mithilesh) ghoomne nikl pde or pedal pedal ghoom rhe the 🤩 or sabse bekar memory wo library me jo tune presaan kiya na But koi na sab chalta hai always love you bro 🤞

Akshay Kadu : It was always a great fun to share and discuss ideas on different topics with you...especially ideas on medical field. Thanks for all the help during thses 2 years specially in gis and remote sensing.All the best for ur life ahead.
