Amrit Prittam Nayak : Hamara "Baithak" would have never been the same without you. You took our drinking session to the next ultimate level. The person with a great heart and always ready for help. I can still recollect gun shot sounds while you play PUBG. The serious discussions during exams and last minute doubt clearance kept me on track. Thanks for being a part of this entire journey. All the best for all your future endeavours.

Sandeep Jangir : Garam khoon !! PUBG boy!! Bro ak tu Gulati or aman hi to the jo jab bolo badminton khelne ready rehte the. IIT me time tumne hi memorable bnaya. I hope we'll meet soon in Mumbai and continue the backchodi.

Nehal Sadmake : Bhaiyo ka bhai Vishaaal bhai. I was little judgemental about you in 1st year but you proved me wrong with your friendship. I barely remember how our friendship started but I can surely say I got a good friend and it will continue for long. We used to fight over little things of bicycle riding. "Aaj tera number hai tu chala cycle mai nhi chalaunga" and then we would not talk for a day or two. On third day everything as usual. I didn't witness any of your post party show but by listening to others I can imagine how entertaining it would be. You always entertain people around you. So keep entertaining people. Be happy and miss you bro.....

Harishankkar GK : dude I love that dance of yours and that song that u always sing, its very entertaining..I took you for a serious guy initially but as time passed I got to know the entertaining part of yours as well as your intelligence...may you reach great heights in your life..all the best for your future

Rohit Kumar : Vishal bro, the pub ji king, Bro bhut charche sune the aapke shamim sir se tab se hi bs ak bar aapke darsno ki abhilasha thi or IIT fulfilled that.
