Abhishek Singhal : Panda kya hi bolu tere liye!! You are very helpful and supportive. Tune kaafi help ki hai insti life mai, be it's acads, personal problems aur specially placements mai. Tere Dhokke kabhi nhi bhulenge mai aur Naman. Apna randomly bahar khane jana kaafi yaad ayega. Thank you for making Safety project, all the treats and free subscriptions!! Bas bhul mat janaa!!

Harsh Vazirani : I feel like you don't get the credit you deserve. I don't know why I'm saying that, I don't even know what you do to deserve that in the first place, but I still feel that. Does that make sense? You brought me a cold syrup that one time I needed it most and I'll never forget that 😭 Your coolness is also hidden away I feel. And that's a compliment. By seeing your bookshelf and your taste in music and everything else. You are so chill and I really like that. 😊

Allen Bose : Panda boi!! A friendship ladened with long FIFA nights, football discussions, watching matches, square pizzas and obviously SARC. Thank you for all the anime suggestions and the help you gave me during placements (starting from coding to also having practice groups). You always ordered the best chicken dishes when we went out. I hope you are gonna come back to Mumbai after MBA.

Mayank Chittora : Panda Sir...!!! Humare coding ke guruji 😂..... Internship se shuru hui thi apni dosti.....uske baad se to constants ho gye😂.....bhaai aalas kabhi mat chodiyo life me... seriously sleep is the best thing😂😂.....Or ye states ke jo stereotypes banaye hue he tune, bhut sahi he😂 (mujhe chodke 😂).....I wish hum first year se hi ese mile hote.....kitni saari gossips pata hoti mujhe😂.....saale sab gossips or unke piche ka sach pata hota he tujhe....Bas daaru ki capacity bada (Daman ne tujhe literally beach pe ese fekne ke liye sorry though, par vo aunty chair pe nhi bethne de rhi thi bc😂)....I really had a great time with you.... let's do a trip soon when all this is over♥

Himanshu Goyal : Pandaaaaa! ♥♥ Kya chill aadmi hai re tu. 😊 To be honest, kaafi dra hua tha mai terse atleast 1-2 semester, because of your "Nutcracker" story 😊 (partly due to tickling also) 😂😂. Jogwar ki class bich mai bahar ghumme mai bhi aalag hi mja tha tere saath. ♥♥ Touch mai rehna bhai, kabhi kuch backchodi karni ho toh yaad karlena. 😂😂

Shubham Anand : Panda bhai.. aap aur baba mil ke Jo haveli abhiyaan chala rahe ho wo sahi nahi hai.. 😂.. sorry aap log ke itna invite karne par bhi haveli nahi aaya Mai.. and Teri treat baaki hai yaad rakhna.. all the best for future!

Khidir Usama Abdul Karim : FIFA me haarne-haraane se Andaman ki woh "chhoti" cycle trip tak, H6 council se SARC tak, mujhe aur mere mood swings ko tolerate karne ke shamta dikhaane ke liye jitni taakat lagi hogi woh mai imagine nahi karna chahta. Assign. aur lab reports se room pe football discussions se raat ko khaane jaane se room pe bakchodi karne se leke music playlists. Insab ke beech 4 saal nikal gae yaha. Bohot pareshan karta mai fir bhi har baar madat ke liye thnks. Seriously lekin kabhi toh bura bolde kisi ke baare me. Bohot kamina hai re tu isse zyada jhoote compliment nhp. BC woh controllers lete lete kaafi der kardi, ab saala kaun khelega unse. Jaha bhi ho call karte rahenge aur shaadi me zaroor bulana bc

Siddharth Mehta : I don't believe I'd be able to express our friendship here, and maybe I don't understand it enough to do so. All that's left to say is, 'Thanks for the Netflix, kind friend.'

Ram Bub : Hey Panda! I literally searched panda on yearbook portal lol 😂. I remember meeting you for the first time in H-16 lounge (ASMP portal ke liye) N then telling you ki mujhe coding sikhni hai...Atlast mai apse kabhi coding seekh nai paya. Baki toh panda ap ho toh bahut sahi!.. I am glad I know you. All the best for future!

Mufaddal Bhanpurawala : YO Teammate, bhai tere jitna calm, composed, cool and simultaneously as fun as anyone could be banda nhi dekha. I regret that I got to know you so late in my insti life although that's kinda paradoxical, don't you think. Let's again go on a trip sometimes. I might have missed it before but caring as well.

Alok Kumar : In first year I pledged to myself that I will take you to a Taj treat on my money(Koi sense nahi thi iss baat me but uss time mujhe bohot lag rahi thi). Seems I will have to wait smtme for fulfilling that pledge. I don't know what we will order there..maybe litti-chokha 😊. Meanwhile I am reminded of FIFA on your laptop, the prized cuntroller, thekuaa,pidkya,nachos, sanitizer?, samuhikk online subscriptions.... I would just walk all the way from 121 to 192 knowing that u will let me in ur room without any reason<3. U can give a panda leaves, but can't make him eat it. Pandas seem friendly but are moody and trace their own solitary path. Wish u all the best for that exciting journey ahead.

Kapil Shobhnani : Pandaaaaaaaaa!!! Kya mast insan hai tu, har kisi ka dukh sun leta hai bhale tu kitna hi busy ho ya paresha ho. Team ka eklota insan jo har kisi k close <3...Bhai respect hai kaise tune akele web portfolio ko smbhala hai and alg level machaya hai <3. Mujhe aaj tak smjh nahi aaya uss din brownie khane k bad bhi itna shant kaiseee thhaaaaaaa. Mujhe humeshaa dukh rahega handing over mai maine teri harkteiin mis kar di :'. Ek request hai thoda frequently bhand hua kar.....Bdha aadmi bnke bhul mat jana, humesha milte rehna <3.

Bhadri Narayanan R : Ayush Anikt Singh - I literally had no idea that the name on our design lab, referred to Panda 🐼 Our prior interactions were nothing when compared to our project meets for which your major job was to be scolded by Baheti 😂 I had a lot of fun whiling away time with you during those times. I love how you were so chill irrespective of how much ever our ppt or report was messed up 😊 I'll definitely learn to work as per your wise words and try my best to implement in the future! Also, put some efforts atleast to keep our special group active :P

Ramavath Rajkumar : Hey Ayush! sach me bahut jhela aur kafi sambhala he humne ek dusron ko. I never thought ki I could get someone like you as roomie. From the day 01 itself humne late nights baatein shuru kardhiye the. I was always different before you. You're the person with whom I can feel comfortable to share things. Waise thu jitna lazy he utna active bhi he. The morning running with baba & me, Crossy complete karna, rock climbing, Andaman trip pe cycling itti aasan nhi the tereku but you did it. Teri woh phone call after drinking kabhi nhi bhul paunga. You're always there in my story. Thanks for understanding me truly & listening the out of context baatein. Thanks for the gift too. Love you buddy.

Lokesh Agrawal : Panddaaaa bro.. Honestly tujhse jyada helpful banda maine insti me nhi dekha. You have helped me with everything be it be technical related, paperwork related or OTT related 😊. Also you are the chilliest person in the wing and you are a literal panda! 🐼 I also wish ki tu goa aaya hota sath me toh aur maza aata. All those fifa sessions with you will be remembered ♥. Harshit Handa : “If 1 hi to dil he kitni baar jeetega” ka koi face hota, to vo tu hota 😂😂. Bhai itna senti kon hota he, pure OC tenure me, mere aadhe se jyada acads tune hi sambhala he. Har exam me pehle se padh ke rakhta tha, taki mujhe padha sake 🙏🙏. Handing over pe jo tune bhand hoke senti maari thi vo humesha yaad rahegi 😊, phirse sunna he vo mujhe 😊. Bhai tere dedication and senti ki wajah se SARC ke 3 generation tak ka web sort ho gya 🙏🙏. And ha Netflix, Prime and hotstar ke premium subscription ke liye infi thanks 😊😊, just bcoz of u mene puri insti lyf me dc ya torrent use nahi kiya 😊. Bhai ko bhulna mat and touch me rehna ❤️❤️.

Pragadheesh Kumaran : Fatty!! I've never caled you panda much 😊 I prefer fatty😂. You were like twin brother in college, we had the same interests, same thoughts, same hate for chemical, except you were slightly a little more lazy😂. Finding a restaurant for us to go was one of the toughest things I did in insti😂 we never gave up on food😂😂. Football 🏈 we have to go watch a match together like I said long back in the mess😂. You were the true friend everyone needs😊. You never hesitate to do anything for your people. You were the closest to shikamaru I've seen in my life. I wish we had those two months to do more. We still have to get a drink together 😊. We have lots more to do together 🔥

Vittesh Arora : Hey Ayush! Itna sab h likhne k liye ki kya na likhu wo nhi samajh aa rha.. I was lucky to have you as my CTM. Aapki wajah se sirf ek saal nhi balki pure 2 saal achche nikle insti me. Agar apne coordies ko kese treat karna h wo seekhna ho to aapse achche se koi nhi seekha sakta... itni care kaun karta h?? Aap se jab bhi kuch baat krni hoti h to you were always there to help. Tenure ki infi treats, then aage kya krna h wo discuss karne ke liye gymkhana ground ke infi rounds and wo aluminatation meet k baad raat ki 4 baje tak bus stop p mere problems sunna... ye sab humesha yaad rahega. Ab jab bhi yearbook dekho to ye post padh k bas ek call kar dena. Stay the same & bachche ko bhul mat Jana :’(

Achin Parashar : Yoo Ayush! Infi help kari aapne, kaha se start karu. Everything from 1st year end me coordie interview se lekar, pure CTM tenure + placements (hopefully aage bhi) kuch bhi pain ho, you were the go to person. Aapne kabhi bhi mana nahi kiya. Us samay nahi bol paya but, a big thank for that. Aapki infi treats ne bar itna high set kar diya hai ki we as CTMs will never be able to cope up. Ciru aur aapki comaraderie dekhkar hamesha thought you guys understand each other really well which motivated us to put in more efforts and enjoy what we were doing. Aapka always motivate karna to do the best hamesha yaad rahega. Baap baap hota hai, Stay the same! ;)

Golu . : Pandaaaa, In addition to your sleeping talent (:P), I have never seen a person more hardworking than you. There were times when you put the whole team together, and I can never thank you enough for that. How can anyone not love you man! You are one of the most clean-hearted and selfless people I've ever met. I love to irritate you, and even the worst of your moods is better than the best behaviours of normal people. I would always love to explore 'vegetarian' food with you ;-) and I will make sure we never lose touch. Lovee youuu ;-*
