Atharva Jaipurkar : Bhai ke liye jitna likho kam hi hai! Wing ka sabse smart aur ameer bacha, infi backchod aur destructive! 😊 Glass ko lock se marna, doors aur windows nikalna, logo ko inspect element karke dx lagwana 🤪 Tune infinite imported chocolates khilai hai wing ko, uske liye dhanyawad! Tere saath infi bakchodiya ki hai! 2am talks jo 5-6 baje tak khatam nahi hoti thi, buddhe ko pareshan karna, uski room me jaake baith jana 😊 Tere dank meme game bhi strong hai, usko aise hi sharp banae rakhna ♥ Tune bahot help kari hai meri placement and cat prep me! Resume ki editing se leke cat ke doubts solve karne tak! Thanks for all of that ♥ Tere se bahot kuch sikha hai, really admire that itna sab karke bhi you got perfect 10 in multiple semesters! Aise hi machate rehna, aur bakchodiya karte rehna! US jake bhulna mat bhai ko 😊

Kushal Agarwal : Deep Bhai!!! Tu resume ke do line use karta hai AIR 1 likhne mein. Mai itne consistently 7 nahi laya jitna tune 10 laya hai. Ameeri ki toh had nahi, but phir bhi itna humble kaise rehta hai tu? Best decision tha humara sath mein fridge lena ♥ Pancakes flip karna seekha hai tere se. Buddhe ko satane aana hi parega insti wapas. Waise bhi tu kaunsa US ja raha 😊. Ab Sundar Pichai ke baad toh tera hi number hai! Aise hi top karte reh and ab goa nahi Vegas trip karenge!

Veerupaksh Singla : Beep bhai! Univ apps ke time sabse bada support system tu hi tha. Ek dusre ki kitne sop review kiye apan ne! Univs ke admit process ko saath me ghanto ghanto criticize kiya! Ab to tu Texas jaayega, and everything's BIG in Texas, except maybe ... jab tu jaayega 🙋♀. Desh ke sabse smart engineer jinko ye nahi pata ki glass brittle hota hai aur 1 kilo ka taale maarega uspe to tootega hi wo! 🙋♀ Maaro Mujhe Maaro! Buddhe ko to pata nahi kitna tang kiya hai 🤪. Lage raho Munnabhai!

Ayan Choudhary : Deep bhai swimming camp se apni baat start hui thi freshie year summers me. Aap extremely kind aur humble insan ho yaar. DE415 was fun with you and jitni memories banayi humne medicine package technology study krne me(well yes :P) were amazing. Machate rho _/_-^-

Malhar Jadhav : Yo Deep Bhau !! Apna genius, perfectionist, humble, dassi god, imported chocolate dealer, sharpshooter, prankster, mimicry artist 😊, memer, influencer and vasooli wala 🤔. Life ke stressful phases main tere sath milkar bakchodi karne main & buddhe ki bakchodi jhelne main bahut maza aya. Jubbhi Mumbai Indians hugti thi to kya frustrate hote the. Secy tenure, PAF ke vakat kya topi pehnaye the apan. Najane tere kitne trips, movies and "Bahar jaake khane" ke plans wing ke kuch bacchon 😊 ne kaate honge. Learned a lot from you, especially prioritizing imp things. Thanks for always being there for me. Life main aisa hi machate reh & bhulna mut apne chembur vale wingie ko!!

Shreyas Likhar : Deeeeeeep bhai! ♥ kaha se shuru karu. Aah! Let me start with this - GLASS IS BRITTLE. But haan uss din jab main andar phasa tha to teri practice kaam aayi aur main samman ke saath bahar nikal paaya 😂😂😂. First year me main mere room se jyada to tumhare wing me rehta tha aur kab pura floor ek ho gaya pata hi nahi chala ♥. WO ITSP wale din, meet ke ek raat pehle kaam karna, 4 logon ka kaam dono ne hi kiya 😊. Wo Malhar ka jo lol kiya tha meet me maza aa gaya 😂. Wo first year me doubt solve karane ke liye tere pass aana aur tu yu doubt clear kar deta tha, sab yaad rahega 😊. Fir TD me bhi apan ne group banane firse Malhar ka kataya 😂😂. TD se ek aur trip ho jaati apni but reh gayi Goa ki tarah. Anyways, Goa to jaayenge hi kabhi aur baki jagah bhi ghumenge. Baki to tere department change karne kay baad wing ka acads to jaise doob hi gaya 😂😂. Aur jo mehenge mehenge chocolates khilaye tune uske liye mandal aapla abhaari aahe. Aur kya bolu tere baare me. Stay happy aur Machate rehna ♥♥♥♥

Nautatava Navlakha : The one person who has a perfect balance between acads and masti. You're that one person jo har plan me hota hai, kuch ditch nahi karta and academics me bhi top karta hai. Mehenge mahenge chocolates laata rehta hai, and poori wing ko baat dena. Being selfless and ground to earth are one of your best qualities. Always stand up to your standards. Hamesha aisa hi rehna, machate rehna! ♥

Nishant Sunildatta Ganvir : CDeep!! Isse pehle tu kuch padhe tu tere 2nd year ki summer intern ka wo pal yaad kare jab tera co-intern uss Lake ke paas baitha tha (aur tu janta hai ki kya dikh raha tha). Tune bhot saath diya hai bhai ka aur kaafi khayal bhi rhaka hai. CE 102 bhi padhaya aur uske baad pink slip (ka idea) bhi dilaya. Harry Potter 5 ka "Room No. 69" version buddha bhul nahi payega. EndSem ke pehle din tujhe "Wolf of Wall Street" dekha apan ne. Aur MI ke to kya hi kehne. Agar Raj nahi hota to apne 4 din aise hi nikal jaate (wo baat alag hai ki apan 3rd day pe try karne wale the). Chocolates aur doodh ka karz to mai kabhi nahi chuka paunga. Tere aur buddhe ka bromance ke chakkar me kitni neende kurbaan hui hai meri(daar laga rehta tha humesha). 31st ko tere ghar pe "The Dictator" aur wo deep baate. Kitni saari treats diya tu Lekin 30k wali zyada yaadgaar rahegi. Ek hi baat bekaar lagi teri. Tune Amsterdam jaake bhi bhai ki naak kaat di yaar. French bandiya achhi hoti hai!!! Aur uske baad treks par bhi nahi gaya uske saath. Machane wagere ki baat nahi karunga kyuki wo tujhe achhese aata hai. Lekin buddhe ko humesha pareshan karte reh aur mast reh. Aur please ab to bata de ki tujhe mera ATM PIN kaise pata tha?? Wakanda Forever!! Jai Shree Ram!!

Vihang Wagh : Wing ka overachiever!! Sir ki ameeri, talent aur saath me package kiya hua lame af sense of humor. Tere woh saare imported chocolates me Hershey's kisses dekhke dil khush ho jaata tha. Buddhe ke room par kari bakchodi <3 <3 <3. Kya din the woh! Tere fundae mast rehethe hai bro, sadly kabhi apply nhi kar paaya. US me jaake phod dena. Bhaiyon ko yaad rakhna <3

Kartavya Singh : Deep bhau!!! Tere se mulakat ko Pace mein hui thi but tereko asal mein jaanne ko toh insti mein hi mila. Woh banda jo 9 grade ko S mein badlega. Buddhe ki tere se jyada toh wing mein koi nahi leta hoga. Bhai tu zindagi mein kabhi mat sudharna. Tere kaanch phodne waale antics toh legendary hote he. And uske baad tere justifications toh aur bhi legendary. Bas Goa ki trip bachi reh gayi end mein :(. Bas ab khush reh and machate reh.

Watan Kumar Meena : Deep bhai!! Kaise matlab kaise iti bakchodin k bad bi har sem har course m 10. first year mein kafi boring laga tha but jab tere ko jana to pata chal tu to bkchodi ki puri factory h.tere sath milke pure hostel k sath masti kari h laser light kand.ganvir ki gpl plan , Diwali p guard or paji k sath pathako se masti krna, tere sath narcotics, matrix dekhna, mere room p fan p ketchup dalna,goa ka plan bnana , Diwali p d mart se shopping, tere room m burger or pasta banana,new year p tere ghar m party, moodi m tere sath milke bkchodi,buddhe k room p masti,tere sath milke buddhe k sath masti k lie plan banana,last din wali masti kya dance kia apn ne. thanks for always staying with me in every situati

Syamantak Kumar : Yo Deep! We got to know more about each other in the last few months, but I think we will hopefully have many more opportunities for that during our MS. (That is if we get to go :p). You're a really humble and a really smart person. Thank you for so much help during the last 4 years and in advanced for the years to come. All the best bro!! Milte hain soon 😊

Arnav Tapan : Deep sir!! Tere liye bohot respect hai mere man me. Insti me kuch matured aur helping bando me se hai tu. When I remember the days when we used to make plans for trips and movies, you are the who'd I think of in my mind. Buddhe ki kehke lena, Ganvir ki GPL ke plans banana, specially that evening when I had taken overdose of Old-monk and got tipsy, all those moments are stored in my heart...Yes, in the final year we didn't exchange a lot of words but the efforts which you put in DIP course where I was clueless, meant to me a lot. We'll surely meet again. I'll come for Goa if it happens!

Rupesh DNE : broooooo, haan yaar apan ka circle kaafi alaga raha but last year kaafi fun hua saath mein specially DIP ones. Sorry tereko pain dete rahte the at times, but really kya random sa project raha apan log ka :P Be in touch
