

**NAMAN YADAV**

Mechanical Engineering

Yearbook  
2020

**Arpit Kedia :** 4 saal haste hue kaha nikal gaye tere saath pata nahi chala. Thank you bahut chota word hai tere liye, cheat sheets, projects, assignments, mere cribs, sab tu hi karta tha xD. Movies aur music mein tera taste unmatched hai. Tere saath sabki bitching karne mein aur unki lene mein alag maze the (especially Dunkirk time). Cards aur mafia mein sabki maar dete the apan. Tu jaanta hai ki tu mere hope ki jitni udayega meko aur encouragement milega xD. Tujhe ye yearbook ka jhanjat pasand nahi, par jaise aaj tak tu bina mann ke mere saath movies, treats, TF aur Gateway (lol) aaya, ye bhi mere mann ke liye hi hai. Aur ha, main iss post ki hard copy bhi laaunga, bhulne nahi dunga :P. All the best!

**Animesh Singh :** Mujhe pata hai tu ye sab moh maya se dur hai par fir bhi likhunga main toh ... You are the only specimen in our group who knows how the cruel world works. Tabhi toh tujhe role model banakar chalunga... Sharp as a knife and honest as hell - aur jitna fast bhagne mein utna slow khane mein .... Bhagwan sab balance kar deta hai xD.... Logo ki faltu baat sunna toh vaise bhi teri personality mein nahi hai par tab bhi -- All the best for your life in IIT Bombay as a Ph.D student and then a professor ... Mast zindagi kategi teri...:)

**Aman Singhal :** Naman bro! Tere saath zyada interaction to nahi hua but tune jo mujhe nickname diya that stayed with me all these years. DSA aur Aero GC me help karne ke liye thanks bhai!
