

SMIT RUPAREL

Mechanical Engineering

Vardhil Mehta : Ruparel! Sale, har bar H3 ko 6od k H5 ki canteen me bheed badhane aa jata tha XD! Lab me bahut chill marta tha tu, koi fark hi nahi padta kya chal raha h expr me! Par coding a66i kar leta h esa suna h. Hamesha hasta hua hi dikha h tu. Ese hi haste haste code karte rehna!

Pranil Jain : Swag kamm nahi hota bhaiya ka par kya karen ab jigri dost jo ho. Insti ko bata dena ki main nahi hota toh unko tere jaisa baap dancer dekhne ko nahi milta. Campus hub par tu saath main nahi ho toh maza kahan aata tha. Badi masti ki hai bhai saath main. ML se fursat mile toh kabhi mujhe bhi yaad karlena. Chal dhyaan rakh

Amarjyoti Nayak : Well, you are a classy batsman if I have to talk about your cricketing skills. I liked your backlift , and then proper hand-eye coordination while you played the shots in cricket. I call you Gujarat. Some people call you Gujju. But your hairstyle makes you look like a lion with black hair from a distance. Also, you were a wingie for me and would always update me regarding the scores of a cricket match, which I missed. You were sincere too, when it comes to your studies.
