**Ashish Yashwant Manwar :** Arpit tu na hota to college life ke mazze hi nahi aate bhai. Hostel 16 ka corridor me cricket khelna (window vala incident) apni flush vali holi. Tera koi bhi cheese ka logical explanation sunne me maza aata hai lekin sirf dhaniya chod ke (you need to work on that 😊). Tere course selection are the best, mann liya. Thank you for helping me in placement, tu na hota me sota hi rehta. Goa me maza aaya and I know apan ne bahut kataya hai ek dushre ka outing me we can consider it as even. Stay healthy dude, mere se jaada to nahi lekin mere jitni life ho teri, buddhe hone ke baad Bridge sikhane aayuga tere se, abhi to na ho payega 🤔. Future me agar prime minister ke liye khada raha to me vote nahi duga 😊.

**Akansh Vijay :** Brooooo!!! Sabse badi tragedy toh life ki apne sath hi hui hai .. Bhai apan dono hi core mein gaye 😂 aur tu nahi jeet sakta bhai kisi mein bhi, be it kabo, bridge, badminton anything, lol 😂. Bhai apni trips bohut sahi thi yr.. tu aalsi nahi hota toh shayad apan last sem aur bhi kr lete... Last, thank you bro for all the placement fundas and test prep we did together. Cheers. Stay in touch (sona mat jyada) 😊

**Tanya Gupta :** Yo Arpit! HPSC project kyu mention kar rha yearbook pe, uski yaad mat dila xD. All thanks to Akansh for even passing that course lol. Thanks for listening to my rants and motivating me, you give good advice and are a really helpful person. Wish you all the best for the road ahead of you, and I hope jitna humne insti mei interact nai kiya utna hum future mei kare :D

**Dhruvin Mehta :** Arpiit, bhai I am still waiting for an update on that P&G competition we signed up for :p. PT Cell ke din se hi pata chal gaya thaa ki tuh bahot sincere and organized banda hai. Except when it comes to playing cards, then you go crazy! Final year mein zyaada interaction toh nahi ho paaya but I really hope we make up for it in the future, if you can spare some time amidst all your soon-to-come achievements in life!

**Ankit Katariya :** Jai Hind Dosto! kaafi bakchodi ki hai aapke saath! mujhe wo 5 spice wala scene zindagi bhar yaad rahega. Mess ke kaand bhi aapke lit hai. When I grow up main tere liye ek paneer ki factory banwaunga jisse hum dono milke andha paneer thoosenge. Your course selection skills are way too good, saare courses baithke check kiye hai tune bhai, kaise machate ho itna? aapki recommendation par hi courses lene chahiye, ye toh main maan gaya. Placements ke time bhi andhi bakchodi kii thi bhaai. kaafi mazze aaye gym saath jaane mein aur saath prep karne mein. kabhi future mein saath bridge bhi khelenge. Congrats for getting into Shell, tumko nahi bhoolunga dostooo.

**Luv Nainwal :** Yo Arpit Sir. Matlab Civil chill hai, ekdum peace <3 Apna truebil ke experience se chalu hua tha. Aapka infi kaam and mera mast timepass. Uske baad to infi help ki hai aapne. How can I forget all my PoR SOPs that you've helped with? Itna kaise maachate ho aap yaar? Fun element laao yaar thoda to. SPOC tenure me slotting yaad hai, mast work allotment skills. Seedhe Manager position join karna \_/\_ Waise, I never thought ki kisi ko ground floor pe rehne ka bhi enthu ho sakta hai xD Stay in Touch, abhi aapse bohat seekhna hai. Cheers!

**Prachee Prabhutendolkar :** PO mai kaam karke sona made sense but tu toh trip pe bhi sogaya... We met after my APC interview and never did I think we would be friends. Itna competitive spirit hai tera! You and Akansh comparing your math skills! But sonemai kisse compete karega, lol. APC tenure mai jo kaam kiya, sleeping for hardly 4 hours in those days. It made me realise, sometimes it feels good to give up on what you like to achieve what you want. It was the best team. And then all the times we played cards and you made me listen to those random songs and giving me fafda n gulab jamun for the trip, kafi unexpected tha woh... It is always fun :D
