Aditya Chalishazar : Starting off with adjacent posters and campaigning in H12-13-14 mess, to unending SGECD discussions, starting from June 2019, coming all the way to present, I don't think there have been very many days when I have not bugged you and Shobhna. Thank you for being a sounding board for almost everything, mainly, for ensuring I do not murder anyone. Please let's chill now, without any nonsense that has taken the forefront for most of the year... Too many memories for less than a year. All the best Arbaj! Stay in touch!:))

Sourabh Surage : Bhai bhai... first of all, thanks for teaching me that night before MA105 endsem, tune hi pass karaya bro (I'll never forget that)... and apne intense discussions hmesha yaad rahenge yarr.. I admire that you were always ready for having discussions .. keep up with that... and apna vo chor bazar explore karna b yaad rahega yrr... kya mast chicken khaya tha udhar apn ne... machate rehna bro life me aisai

Harshita Verma : Hi Arbaj!!! I think last sem we just ended up making plans of hanging out n never really got to do so😂. But otherwise be it the handing over or meet ups with karri or some dinner plans or taking interviews it was always a nice time with you n also got to know most of the insti gossip😂. You're a nice person and would love to stay in touch with you. All the best for future plans 😊

Anuj Sethia : Bhai tu bikaner ka hote hua bhi mujhe pheli baar insti mai mila and uske baad bhai phele 2.5 saal itana acche se nai jana. But uske baad woh cheez aai isne teri zindagi badal di...GSHA and uske baad jo positive changes to apne jeevan mai laya itane short period of time mai shayad hi koi laa paye. Chahe duniya kuch bhi bole you were the GSHA for insti. Tere sath aaj bhi discussions mai infi maaza aata hai. Bhai apan toh hamesha sath rehne wale hai chahe kahi bhi ho and chahe kuch bhi ho jaye..
