All those poker and cabo nights were so much fun. It was fun making fun of you for those Neymar boots as well XD. Bajaj mein macha dena and Vespa khareed lena XD.

Rushikesh Bankar : We literally don't have anything in common still apan last 2.75 yrs se saath me hai. I am very lazy person and i would have missed a lot of things because of that but, you always pushed me to do this yearbook. I would never forget that matheran trip which I/we messed up (that things is still undecided) (Bc keyhole to sab lock karte hai 😊). Driving that scooty without a key and helmet with you is the most badass thing i did in my life. Will meet you after all this is over
