Riya Singh : Hello Patki!! We were in same team in the material testing platform payload and went to meet some mech professor. This was the first time I talked to you and hear your Goa stories. In winter vacation, only you and Hemil were there from mech and you started spending more time with elec group and I got to know you better. In subsequent 2 years, I have had numerous conversations with you be it work-related or simple lukkha or our ICSS trip. You are an amazing person. You are sincere towards your responsibilities and caring for people around you. You have leader traits and I hope you to find as one sometimes in future. All the best for your journey.

Rahul Agrawal : Patki bhai! jyada interact to nah kra apan ne, but jab bhi tere se mila hamesha kuch naya machaya tune ye pata chal jaata tha. Saksham Gautam : Hello dosto, Aaj me aapko Ek Bahut bade aadmi ke baare me batane jaa raha hu jinka naam hai Aditya PATKI. So, Aditya Patki Ek Bahut hi sacche or nek dil insaan hai, h5 me rehte hai, ji Haa h5 me, or Sabse Acchi baat ye h5 ke Gsec bhi reh chuke hai. Toh chiraag le kar dhundne jaaye toh Aisa Gsec kahi naa mile, Lekin mujhe mil gaya. Toh Inhone apne tenure me Bahut machaya hai, Inhone Maint Co Nahi banaya, sports Co bhi nhi Banaya, tech Co bhi nhi Banaya, cult Co toh banaya Lekin wo cult Co kehlaane layak nahi tha kyuki wo Gsec ka Saara kaam kar rahe the, Ab Socho Ek bhi CO nahi hai, uske baad bhi Inhone pura hostel chalaya, Haa Maana Inke paas mere, naman, kartik, Arpit, Tejas, Anmol, Devansh, Shakya jaise machau secies the, but Phir bhi Hum Sab Ek Gsec ke bina adhure the. Phir se, chiraag le kar dhundne jaaye Toh Aisa Gsec kahi nhi Milega. Par kabhi kabhi Patki library me bhi kisi ke saath Bethe mil jaaya karte or Phir Unki photo council group pe viral ho jaaya karti thi. Humare Patki council me Bilkul bhi charcha me Nahi rehte the kyuki unka Dhyaan kahi or bhatka hua rehta tha, but still kahi or Dhyaan hone ke baad bhi council or hostel chla diya, hats off sir, Aise machau log kaha milenge??? Chirag Lekar dhund ne jaaye toh bhi nhi milenge, but we are the luckiest ki hume mile. Aapke passout hone ka Hume bahut zyada dukh hai, ki Humare hostel se Ek precious Waapas jaa rahe hai, Hum chahte hai ki Aap 2-3 saal or yahi raho, par mujhe pata hai wo possible nahi hai, but still we will always pray for your future. Or ha, chiraag Lekar agr Ab Koi dhundne jaaye toh use mil jaana. And, shaadi me Zaroor Bula Lena.

Ayan Choudhary : H5 jab bhi jao kbhi bhi alag hostel jesa feel nhi hua tumlog ki wajah se lol. And aero dept me raat k time bhi kafi bar baat ki apan ne. Chill insan hai tu remain the same :D

Rajat Kadam : Patki brooo, one of the people i respect the most in insti. First year mai wing ki bakchodi... But obviously placement prep was the something to be cherished, i remember us sitting 3 days before d-day and laughing at our plightXDXD.. Ek trip karte hai pakka wing waale baaki log to insti mai hi hai agle saal #PhD

Animesh Singhal : Patki yaar <3! Sach mein bohut achcha GSec tha tu and kaafi machaya hai tune hostel ke liye! Last sem mein interviews ke liye help karne ke liye thanks! Apan ne bohut labs saath nikaali hai aur group reports mein itna kaam karne ke liye thanks :'). Best part ye hai tu kaam na karne ke liye daanta bhi nahi tha :D. Tu nahi hota toh itni BT Mech labs survive nahi kar paate ham log. Cheers to your dedication towards your goals. Respect++

Aman Mishra : Patki broooooo! Kya mast insaan hai tu. Couldn't have survived Bangalore without you. Vaise to I knew you before too, but Bangalore me tujhe ache se jaana XD. Tere Bounce account ke bina logo ka kya hota? The best thing about you is that your laughter is so infectious. Whenever you enter a room, the mood lights up and the fans turn off. So some advice for future Patki - keep laughing and always spread happiness like you do, also try try to bear some cold. Finally, agar majaak majaak me kabhi kuch jyada bol diya ho to maaf kardena, you know mai bina soche bolta hu. I know tu infi machane vaala hai life me, stay in touch.

Ayush Puri : Patki sir sab aapse hi seekha hai , lab me aap na hote to kuch nahi hota. Infi machau ho aap, meri lab ki bakwas ko jhelne ke liye kaise shukriada karu, sab kuch phod dete ho, acads se leke por tak. Aise hi machate rehna , all the best!!!

Aayush Sahu : Patki sir _/__ mature to aap hoodie me hi lagte the, pata nhi 2-3piece suits me kya mahol banega apke aaspas. Aap bhi aakhri saal aate aate hamari tarah chill krna seekh gye but galt adde pe. Aapne hume kayi beshkeemti yaadein di h, jaise bcg ki chocolate aur Goa ke macchi bazar ki jhalak. Prr aapke rash driving pe to ohhoo hum hi fida hogye the baakiyo ka kya khena. Apse jada modest kon ho skta, consult ka swagg prr core pheli mohabbat h apki. Treat ka hisaab to ab nariman point pe hi hoga. I hope you don't end up like Mr. Bingham!!

Aniruddha Ravindra Ranade : Tujhe jitna team mein pain mara hoga, utna shayad kisi aur ko nahi mara! You are an amazing person to work with. Your work ethics and sincerity are admirable. I will cherish the amazing Hyderabad visit we had! Wish you the very best, for the bright future ahead.

Anmolpreet Singh : Lalu Prasad se leke scale jitna patla hona agar art hai, to hamare Patki saheb artist hai. (Seriously dude, parth se patla mat hona) Akka Insti me tu akela banda hai jo free batihne se bore hota hai, jaha log aakhri sem me chill mar rahe hote hai ye bhaisahab 50 credits leke, do teen projects uthake, "didi" ke saath time spend krke, gsec ka kaam uthake, aur kya kya und shand responsibility uthake baithe the. Aur aakhri me hamare pas aake rote the ki time nhi mil rha, ye nhi hora, vo nhi hora. Teri maarne me alag hi maza ata tha jab tu chupane ki koshish krta tha, pr hum pakad lete the XD Tera baat baat pe chidna kisko nhi yaad rahega Itna Maggu hoke bhi bakchodi krna koi tere se seekhe

Jatin Chandawat : Patki - The Best GSec ever. Bhai legit apan dono ka duo bahut shai ban gaya tha. Varna ek council k tenure m itna kaam hote kabhi nhi dekha maine kewal 2 COs k sath. Bahut galiyan khayi bahut jugaad kiye lekin sab kuch acche s handle ho gaya bills, tenders vagarah jo bhi despite of that mann (you know who😂) . Last council treat miss ho gayi bas y dukh humesha rahega. Baki machata reh bhai life or bhi Keep smiling. Good luck

Shreeya Singh : Patki, aap shareef dikhne waale infi tedhe insaan ho. Aapko first year mein as the infi khadoos and arrogant Satlab senior jaana tha. Waha se ab tak kaafi kuch badal gya. I still remember fighting with you in every meeting. Sorry , maaf kar dena. Thank you for always being patient with me. Aapka struggle to climb Sameer hill hamesha yaad rahega. Aise kaafi memories Hain...ICSS,Joker. Ab aap insti chodke jaa rahe toh frankies bhi chod do. Focussed and machau to aap ho hi, aage bhi khoob machaana. Learn to smile a little...Good Luck.

Yash Shrivardhankar : Patki! Mr Consultant xD. Had a lot of fun during placements man! Thanks for bearing with all my jokes man xD. Bhai thanks for guiding us in Goa xD. Knowing you are from Goa and speaks marathi opened up whole new fun time together! Also you've cruised through levels through these 4 years. All the way from having a really fun time doing technical stuff in Advitya to being GSec of hostel and finally a consultant is truly having a diverse palette! Had a fun time with you man, and hope we stay in touch!

Sagar Kumar Seth : Yo Patki bhai ! 16A ke wing se Hemu ke room tak kaafi bakchodi ki saath main ! First year main I thought of you as a typical maggu ! Phir Satlab main pata chala you had a fun side too ! Remember watching something on Satlab main PC ;). Late night gossips in H5 comp room were fun, vaise teri kahani abhi baaki hai meredost ! Toh milte hain phir kabhi kahin aanda cheese paneer frankie khane ke liye ;D ! Jokes apart, I see you as a smart, sincere person with good work ethics ! and now that you have gone non-core ab toh paisa hi paisa hoga ! Machate reh life main !

Shubham Jain : Yo Patki, I got to know you well last year only and it was really great to have to have you as a friend. I remember we met in my room to have the discussion about you standing for H5 GSec. Well, honestly i was amused as to why you out of sudden who has already excelled in acads, got interested in POR. You have done a fabulous job, leading the council & have done a tremendous work for the hostel, and you still got time for the discussions, acads, projects and much more. I really enjoyed the discussion regarding the projects, council, etc. that we had together. And yes, thanks for your help during the placement season for lending me shoes xD. All the best for the future & aise hi machate raho.

Vardhil Mehta : Adi! Baki sab k liye Patki bas me hi tujhe Adi bulaya karta tha. Bhai, pehli bar apani bat tab hui thi jab 1st yr me tu mere room pe aya tha bola "Aaj mera B'day h. Shaam ko H15 ki canteen me treat de raha hun. Aa jana." Vo teri pehli treat mene miss kar di thi but tune fir kafi treat di h. Apne bahut discussions bhi hue h XD. 1st yr Marine drive trip, Goa trip, Alibaug trip, cycle pe Marine drive, movies, dinners, bahut ku6 h yaar! Tu chize kafi jaldi grasp kar leta h. Har chiz plan kar k, method se karta h. Koi action ka kya consequence hoga sab naaptol k chalta h. Advice mango to bahut a66e se explain karta h and practical aspect bhi batata h. "Patki Non-core karega" ye to pata hi hoga?!

Mohit Deshpande : Patki! Tu pehli baar mujhe GW karne ke liye mila tha. Hostel me sab log shocked the ki ye ekdum se GSec enthu kisko aa gaya. But tune itna accha kaam kiya hai (wo bhi mundra ko jhelte hue) ki agli kai peediya yaad rakhengi. jis tarike se tu saari cheeze calm and composed reh ke karta hai wo bohot insipiring hai. specially PAF ki meet me dekh ke laga tha XD. saari GCs me itna support karne ke liye thanks! aage bhi machate rehna aise h!

Mrigi Munjal : Hi Patki! All of our interactions have been at best weird. So I'm just going to make it even more awkward with a random fact about bees: If a bee wanted to fly around the world, it'd need an ounce of honey as fuel. All the best for your future!

Abhinav Jain : Patki Sir!, my classmate cum TA for DIC, I cannot forget those long discussions that we did against Bilala last sem. It has been really fun to meet you everytime in H5 or H10 canteen :p . Itna machate ho sir aap, thode fundae yaha bhi dedo next year ke liye. All the best for future and let's stay in touch!

Mukul Jangid : Patki honestly it came to me as a shock ke tu consult prep kar rha and even a bigger shock ke tu Gsec ban gya. Pta nahi kyu tumse toh humesha maggu vibes hi aayi thi mujhe yeah kaunsi disha mein nikal liye aap 😂. Majaa toh bohot aaya bhai tere saath prep karne mein, haan kabhi kabhi tere alag sochne ke tareeke ko jhelna mere liye mushkil ho jaata tha. But koi bhi galat baat kahi ho toh sorry. Aao wapas kabhi humare room snacks khilate hai 🍕🍕

Naman Vikas Saraf : Patki yaar aapke jaise GSec shaayad hi humko mille aage. Itna kaise macha lette ho aap. Council mai sabse calm composed aap hi the, acads mai bhi aapko koi chu nhi sakta, kaise kar lette ho aap
