Ramakanta Behera : Smallest in age, but biggest in knowledge. Hamare har decision me tumne kuch na kuch compromise kiya he, ushke kiye sorry. As seniors rightly said, prof ke expectation badha diye hain hamara batch, ushme bhi tumhara haat he..😂 vmcc toh jese tumhara 2nd home apart from hostel. Kese bhai itni determinate ho sskte ho. Kitna jhagda laga hoon CTaM walk ko leke. Kya karoon nahi ho sakta bhai mujhse. I got so much knowledge from you, that is the gift I got from u. Chalo bhai... harwaqt khus rehna... muskurate rehna.. bhabiji ka dhyhan rakhna..😂

Priya Agarkar : Aju! Mere bhai, mere dost, ankh band karke I can trust u(knew u..always by my side♥). Tumhe kitni bar gyan diya hai, kabhi jabardasti😂, daanta hai kai bar😂. Kuch khufiya mission like (raat gai baat gai) 😂 Woh tumhara Kai bar baat ko isharome samjh jana, Kai secret baate karna, sab bindas..coz woh leak honewala nahi tha as u r my permanent team member. Then class ka sincere, padhaku, CR, (apnawala) placement coordinator of CTaM. Woh mngt / material confusion, salman sir's fav child, 10 pointer but the simplest innocent bachha 😂 of CTaM 18-20. Will Miss u & yes "Ye Ek din bada aadmi banega" likh ke dediya aaj!

Onkar Kanthale : Yooo Ajay Sir ♡♡, kaise ho aap ? Hamare group leader and a great leader. Thank you so much for assisting in Evaluation and successful rehabilitation of Concrete (I forgot the course name 😂). You are a very hard working person and a wonderful friend. Ankan Karmakar : Har class me hone-wala wo topper baccha. But, no man, you are different. You are a unique combo of innocence, knowledge, politeness & sporty. Well know what?... I am jealous of you (just kidding). Happy to know a person like you. You showed the way to compromise and accept situation that you didn't like, only for others. I know I told you not to be sorry for everything, that you are not guilty of. Hope it will help you someday in your professional life. Will never forget those 2 months of time, that I spent with you in internship, wo ganne ka juice in every morning, wo train me latak ke jana. I will miss playing TT with you also man. I will miss those times of debugging code together.

Apoorv Srivastava : Yo Ajay. Aap log kaafi cool the, mujhe to shuru me laga hi nhi tha ki koi senior me se Team me aayega apne department se. Pr aap log aaye. Mai team manage nhi kr paya thik se wo alg baat hai (:p). Venkata Sir se jab bhi milna rhta tha to aap teeno me se koi ek to office me mil hi jata tha. Aap machate rhna, aur milte bhi rhna. :D

Neeraj Kumar Burugupelly : Ajay, eating times were our best times of interaction. You are always been a more confident and intellectual person to me. I don't have to mention how focused you are. Manier times, your perspectives made me question my own thoughts. In a group of contradicting opinions you are strong enough to just put forward your opinions, It sets u apart. I wish you get whatever you deserve, all the best for you!

Dornam Jashwanth : kya ajay yaar how much time do study? we sitting together during nights and figuring out about code completely and next day we are like kal to sab kuch samaj mai ayatana😂, waiting for Delhi sir and most of the times getting disappointed, le you: etna effort dalnaka baad oil company mai jana nahi aa and lol actually you placed in a core company💚, thanks for letting me copy-paste most of my BTP report😂😂
