

SHAUVIK BOSE
Chemical Engineering

Syed Zakiuddin : Bose!, a very smart, cool outside and maggu inside. My first Lab Partner and infi judagu guy. Bose kisi se maze lene ka koi mauka nahi chhodta. You made me so lazy by doing most of the work either by yourself or by some jugad. It was fun copying the entire folder of Ed lab assignment. You have always been very supportive and kind. Love you man! take care!

Vyanktesh Nagre : Aur bhai Shauvik!!! Idk agli baar nashe kab karenge sath, but thank you for all the help you did regarding CFA n all.
