Vittesh Arora : Usama you are one of the most caring person I have met in insti. Jab bhi aap milte the to ek baar ye to puchte hi the ki life kesi chal rhi h. Me jab resume check karwane aaya tha to aapne jo tips diye the apne aap ko improve krne ke liye they were very helpful. Always enjoy talking to you!! Be the same and stay in touch :)

Ankit Neema : Hey Roomie..I couldn't have anthat I would have guessed that I would have such gem-of-a-person as my roommate. I would never forget those binged standup videos at 3 am and your mindful talks later. Kya be..kaafi likh diya ab toh :P

Veerupaksh Singla : (Ch)Usama broo! Ek dusre ko maarne se to ruk hi nahi sakte na apan! ECRE project ke chakkar me aisi dosti hui jaise ... khair! Prof se gaali sun sun ke finally hua wo project to! Elec minor me to shuru se hi saath hain, saath hi ro roke pass bhi hue hai. Analog ki lab to yaadgaar hai bhai. Bhala ke saath milke kaise to bhi experiments kiye hain aur reports banayi hain! 😂😂 Tera sense of humour or dank jokes to _/_

Ayushraj Mehrotra : Usama! Itna mat daraya karo bachcho ko! :P But yaar srsly, you are absolutely gem of a person. Daat Daat ke apne mere procrastination ko kam kiya tha XD I wish we get the time and opportunity to interact once more after all this Corona shit gets over. Till then aap aise hi smile karte raho jaise hamesha karte ho. And hard disk ab to handover kar do! Baaki me to badhiya, aap batao :P

Yearbook
2020

Harsh Vazirani : You need to work on your anger management/hyperactivity 😂😂. People are not punching bags. 😊 You are the other sincere guy in the team, sometimes to the point of your own harm. You have some really good ideas (case in point : milestones) and you write really well. Thanks for taking care of me the last time. And thanks for shooting that cringy video I can't un-see.

Naman Goyal : I don't think I have ever seen a more hardworking and dedicated person than you in my life. Kaafi mazey aate hai jab neema ki tujhse phat ti hai. You have been my constant companion in mess 😂. Stay the same happy person you are, be less secretive and be in constant touch. You will be immensely successful in life, bhul mat jaana.

Shradha Bansal : Hey Usama! Salute to the best baap:). Kudos to your sincerity and helpful nature. Thanks for all the help, be it PR or acads or resume. Always be the caring person you are. P.S.: Interview time pe itna daraya mat karo logo ko, split personality lagta tha mujhe to start me. Stay in touch! All the besttttt.

Allen Bose : Oi bin Laden. Let's start with "Tottenham is shit and I am the best at FIFA 😊". You are one of the very few people in insti who gets me for who I am. All those football debates, discussing the sorrowful stories of our crush experiences and the innumerable hours of FIFA that we played, these are memories that are not gonna be forgotten easily. You are also one of the only people who ping me once in a while, despite me being close to "0" activity in messaging people. Thanks a lot for the motivation and help you have given me in times of need. P.S: Ping karte rehna mereko 😊

Ramavath Rajkumar : Hey! Usama You're the reason I played hockey, football, even crossy. You made me sport enthusiastic. You are one of the caring and responsible person I have seen in insti. You encouraged me and made me realize my mistakes. PS: Thanks for the support you've given me after the TATA interview.

Abhishek Singhal : Apne wing ka sabse serious banda hai re tu, wing ki thodi bahut bhi seriousness ka reason tu hi hai. Be it acads, por, life problems ya placements you give really valuable suggestions. Thoda FIFA khelna kam kar aur bhi cheeje hai timepass ke liye, aur thoda shak kam kara kar logo par. Ek mauka mila tha bandi banane ka china mai, wo bhi gawa diya. Neema kya mast darta hai tere se. 2-4 achi photo khichwa le kaam aayengi. Aur keep in touch always <3

Siddharth Mehta : For every manic, duplicitous idea I had in our tenure, you were there to slap your moral compass on my face. I won't ever publicly thank you for it though. What I would thank you for, is being the tenacious and persistent pillar of the M&PR trinity. Be it from working with our coordinators to carrying out our newsletter and initiatives, you were there with on every step of the way. Working with you on SARCasm has been amazing. Those six days, and especially the final hours are imprinted in my mind forever. Stay in touch! PS. Stop stalking your crush online and offline; she's got her guy. You have Muffu already.

Himanshu Goyal : Bhai bhai bhai! ♥♥ Bhai kaafi calm banda hai, jabtak gaaliyan na do. 😂😂 Kya mja aata tha terko pareshan karne mai. 😊 Thank you merko 2nd year mai pass krane ke liye. ♥♥ Baat karte rehna, and kabhi gaali khaane ka mun ho toh bina sharmaye call kar lena. 😊♥

Akshay Bhamare : Yo Usama!!! Minor ke kitne courses sath me rote huye nikale hain bhai, thanks for ditching in last sem 😊 I am glad I got to know you. Alind ke mazey lena was so much fun. You are so hardworking, dedicated, mast aadmi. All the best for future endeavours, machate rehna!! Stay in touch bro!

Mufaddal Bhanpurawala : YO Sensei, People think Siddhart is the Grammar Nazi, shame they don't know the real Hitler is. I'd say you are that typical anime character hard on the outside and soft on the inside. Anyway, I share some of my best memories with you LITERALLY. Let's go on a trip again sometimes. And sorry for I am always gonna be that friend you neither deserve nor need.

Ayush Ankit Singh : Khof hai bhai tera. Sirf wing main nai wing ke bahar bhi. I can understnd k Neema tuj se itni kyun phat ti hai. But most of the time you are a caring, fun loving person. You were the only one jise football aur movies k discussions kr pata tha. Aur tuje FIFA m tere Spurs ko harane m jo sukun milta hai vo aur kisi chiz main nai. I can never forget that crazy semi final night. Bhai tere ghar mene best Biryani khai thi yaar! Wing ho ya SARC, I always found a different kind of connect with you. Inside that angry, scary face, there is a person who always look out for his friends & was always there whnvr you need him. Keep making that dreadful face while taking pics. Nd pls stop hitting people.

Aayush Sharma : Yo Bin Laden!! bhai mujhe ek cheeze kabhi samajh nahi aayi ki tu randomly bina baat kaise gussa ho jaana hai(wo bhi khatarnaak waala 😊)aur phir agle din wapas normal. jab mera accident hua tha tab tune hi room aakar 'Riverdale' binge watch karwaya tha♥️ kaafi sincere, honest aur creative hai tu. mujhe yaad hai meets mein jo bhi tera bacha hua idea hota tha jise harr baar last mein batata tha wahi approve hota tha(Alumnination tagline♥️)Bhai wo apni summers meet mein hui fights nahi bhool sakta uske baad se kabhi waisi meets nahi hui unfortunately 😊apna same minor tha but phit bhi ek couse saath nahi kiya 😊PS-jab bhi milega jahan mein milega meri middle figer hamesha tujhe salaam degi 🙌😊

Mahale Chaitanya Rahul : Usama bsdh (One letter from destruction) 😬! Janmuch ke khudko Tere samne flatter karke Tera irritation dekhna miss karunga me 😂 Waise abhi bhi kuch 12 matches to pade hi honge 😊 Jokes apart, H6 ke SARC wale bande ♥ Sale Teri gharki Biryani 😊 Yaar kisika moral compass itna kaise strong ho sakta hai, aur Teri creativity (thanks for the storyline) 😊 Bhai I'll never forget how you triumphed that meet or how you took a stand in every aspect of life! Motivation hai yaar tu isme ♥♥ Aur ye sab hoke bhi koi Kam nahi hai bakchodi aur enjoyment me 😂 FiFa me aa kabhi wapas aur Hara ke dikha 😊 Sorry Tere plans ko hamesha change karwane keliye. Sale bas pain me Kyu aise bhi call karte rahenge!♥

Kapil Shobhnani : Usamiiiiiiii!!!! I haven't seen a person more honest than you - bhai tu maafia mai bhi 🤫🤫🤫 nahi bol pataa 😂😂😂. Jiss sincerity se tu saari chije karta hai be it academics or tune sach mai kabile tarifff haii __^__. Pure tenure mai tu lone warrior ki trah Idha hai 😊😊, har discussions mai poori team ek taraf and tera idea sbse alag, phir bhi we always ended up agreeing on your idea 😊😊. Thank you for taking us to your home 😊😊. Humesha touch mai 🤫🤫🤫 and bdha 🤫🤫🤫 bnke humme bhul mat jana 😊😊.

Alok Kumar : Wish we could have a FIFA match on panda's laptop so that I can destroy you one final time. I pity the pens you chewed into oblivion while lying in bed in weird conformations. My second go to person for homely night snacks and third for random talks. Thanks for checking on me for morning minor classes and what nots. You are certainly around the top my list of dependable wingies[Not much serious competition there so stop smirking]. Baaki accha aadmi hai tu. Praising each other in superlative adjectives would only disgrace our inherently troll-out-loud but unspokenly respectful friendship. So let's leave it there. Cheers.

Naman Jain : Usama..You are the one the very few person jiske gusses se me darta hu..but still uske sath intna caring and observative nature...tere sath vo SARC ke discussion..tu jab sahi mood me rahta he to sab cool banda hota he bhai tu...tere movie recommendation...bhai maza aaya tere sath...touch me rahio...I know mere ko jhelna mushkil he,,,but ab jhelna to padega

Aayushi Baheti : I know you are not fond of mee but still you never forget to wish me on important occasions. Those good wishes means a lot to me! Your criticism during those meets helped me perform better. I hated you then :p, but I am really grateful to you now! You are one of those rare honest species so please don't change that. Keep taking a stand for what you feel is right. Tu ek hi kaafi h. I know you'll achieve great heights! Love and luck ♥ PS - Main peecha chudaane ke liye treat nahi deti hu

Sigireddi Yamuna Devi : Let me tell you this, tere baal ghas jaise lagte h :P. Ab mere baal ke baarein mei kuch mat kehna, just that it's so beautiful XD. I don't know agar tere ghar wale allow karenge ki nhi hum sabko wapass :P, but I promise mei to achi behave karungi XD, please invite us again, I love that biryani so much <3. I can't say how much I admire ki humare team meets mei tu kitta clear rehta h apne opinions se, so aage kabhi bhi confusion mei hu to I'll trouble you XD. All the best!!!! Love yaa :*) <3

Lokesh Agrawal : Usama bin laden.. Meko srsly ek saal baad pata chala ki tera naam Osama nhi Usama hai 😂. Wing ka sabse serious banda hai tu sach me. Tere sath fifa khele hue bohot time hogya.. Phir se khelte hai hopefully if insti reopens. All the best for your future and milte hai jaldi hi ♥♥

Harshit Handa : The Usama Khidir, jitna khatarnak naam utni sweet personality 🥰🥰 (cocunut jesa 🥰🥰). A man with high morals and ethics 🙏🙏. Kisi se taareef sunke itni khushi nahi milti jitna tujhse sunke milti ♥. Usama ne tarif ki it means seriously machaya he ♥. You changed me a lot as a person (pyaar se, daat ke, tauk tauk ke hi sahi 🥰). Thanks for helping me in my tough times, when I badly needed a shoulder. Mumbai me rehke tere ghar pe aana miss kar diya, next time cover karta. Tera dedication level ke liye infi respect he 🙏, har kaam ko puri shiddat se karte he 🙏. I know life me tu infi machane wala he ♥, bhulna mat bhai ko ♥, vese itni aasani se me tujhe bhulne bhi nahi duga 🥰🥰.

Golu . : Even if we meet/talk after a long interval, I feel the same warmth in our friendship. And these are the best kind of friendships. Although I hate your love for Anime, I always love to discuss TV shows and books with you. I love playing mind games with you because I know I have an upper hand - ‘emotional blackmail’ ;) and you somehow always get trapped into it. I love to tease you with my silly jokes, and will continue doing so! I will always find reasons to bother you every now and then, and I wish you do the same. Cheers to our everlasting journey of friendship ahead. Love you *fire emoji*
