**Pushan Bal :** Murarka bhaiya! It is amazing how you are always ready to help others. You are smart and selfless and I have loved our discussions about the relevance of certain things. You showed me a new side of things that I thought were worthless. I miss playing baddy with you. Apan wo course kahi kar paye yaar saath me. Lets hope to stay in touch.

**Aniket Ranade :** Oh bihari babu, Mujhe room mai ashray dene ke liye dhanyawad. Sab log ko Dominos se negotiate karna tune hi sikhaya re, tere wajah se hi band hua hiranandani vala dominos. Mujhe hindi seekhane mai aur courses pass karane mai tera bohot bada haat hai. Sada abhari rahunga mai. Badminton baki reh gaya re ek aur bet, ek aur jeet. Ab aana mere gao kaam karne XD. tab milte hai

**Chinmay Kalra :** Are Murarka bhaiya!! .. I got to know you well only in our third year I guess. Your outspoken and carefree attitude was contagious. Will always remember those closely fought badminton matches and our bumping into each other late night in H5 canteen. Thanks for all those memories bhai !!

**Rishith P Agarwal :** Insti mein pehla banda tha tu jisse mila tha mein convo mein... Mujhe genuinely yearbook mein kya likhun nahi chamakta 😊 but all i know is it has been fun bhai

**Mangal Mannat Piyush :** Bihari babu totally not bekabu. We have had infinte memories during these 4 years. Late-night unexpected meetups in H5 canteen, Badminton me to god hai hi tu, no arguments. Apan dono ne hi kya mast palti mari hai MS se. Tumhare room me padte samay alag hi neend ati hai, pata nahi aisa kya dalke rakhte ho hawa me xD. Teamwork to humlogon ko assignmnets and tutorials me sikhne mila hai kafi sara. Keep in touch, milte rehte hai, cheers!

**Ishita Shah :** Bhai tere bina toh meta hi nahi ho pata mujhse :P tu infii machaata hai. Apni sunny night toh reh hi gayi. Thanks beech raat phone uthake doubts clear karne ke liye XD aur padhaane ke liye, aur mera rona sunne ke liye aur mujhe har baar notes bhejne ke liye. Tu best hai <3

**Shubham Jain :** Heil murarka!! I think this never gets old :P. You are one of the most helpful person I have ever met. I cherished the conversations we had together, your logical, and thoughtful arguments always left me astounded and helped me learn new perspective to things which I may have never come across. I am blessed to have you as my friend who stands beside you without a flinch of hesitation. Your methods of studying were a completely new experience for me (as in psychology we divided individual role and chapters) and it was fun learning the new way. I really miss out the Goa trip, but lets have a trip in the near future!!

**Aditya Dev :** Normal ppl laughin like "hahaha". You go "khkhkhkh".... Murgi boiii 🤡. Same goes to you. Duude. Tere bina kya hojata itsp summers without a room and all. You have always been there to help. What did I even do to deserve such care. From the very first time we met. Thanks for teaching me cricket and hindi. Although I thank satyam for my gaali vocab. bihari lingo bhi sikha deta 🤡Tu mujhe chodke Canada chala gaya. What about that 🤡. Anyways. Keep in touch mate!!

**Mohit Deshpande :** Murgi!! Insti se ek bohot bada regret yeh rahega bs ki tum logo ke sath zada time spend ni kar paya me. Baaki jitna bhi kiya hai wo best tha specially last 2 saal me. Isnti me din bhar jo bhi karke aau raat ko hamesha mil jata tha tu. Meta ke liye itni dedication kaha se lata wo toh tu hi jane, usse bhi badi baat hai ki me ranade aur robince jaise nikammo ko bhi pada deta tha. Har kisine tujhe bola hi hoga ki tu bohot helpful hai, but usse bhi badi baat hai ki tu kisiko jatata bhi ni hai ki tune help kari hai...which you have done infii times. ek acchi trip aur karna hai bilkul se kabhi toh. bs ek hi chiz aur bolunga.. itna load mat liiya kar tu machayega aake bhi life me. milta rehna bs...

**Swapnil Agashe :** Maggu Murga! Kitna magta hai be. Mess me khate waqt sir pe maarna, saunf ke pieces kaan be daalna 🤡🤡 baccho wali harkate! Apni Imagica/water kingdom wali trip kafi sahi thi. H5 me cricket khelne me kaafi maza aaya tere saath. Judgement wali raatein <3. Keep in touch. All the best for future. Kuch nahi toh atleast hearts/spades khelte rahenge future me bhi XD

**Amit Gangurde :** Murarka bro!!! H5 mein cricket 2 hi baar khela hu and dono baar infi maza aaya. Corona nahi hota toh mai toh tujhe week mein 3-4 baar khelne ke liye definitely request karta 😂. Tere se baat karte waqt kaafi intellectual waali vibes aati hai bro. Kaash thoda pehle se hi tere se interact karne lag jata. Macha do bhai and stay in touch!

**Rajarshi Saha :** "HARDDIIKKK, chal 28 khelte hai xD" Placements aur GRE tere bina nahi ho paata bhai, thank you for your help and support <3. Unfortunately patte khelna abhi tak nahi seekh paaya, but constant effort daal raha hu :P All the best for the future bhai. Stay in touch <3

**Srajan Kumar Verma :** Yo murarka, bhai 1st year was easy for us because we knew each other! I still remember the first time we met in N1, you were complaining about Bihar 😂 We lost connection after 2nd yr but hey lets catch up and surely stay in touch man!

**Aditya Raj :** Yo murgaaa!!! Tujhse baat karke ghar wali feel aati thi (accent ke karan haha), I will miss that. Average(wrt height) person with a big heart. Yaar sabki help karne ko itna ready kaise rahta hai..get a life man. Just kidding. The time we spent together playing cricket or cards or foosball were fun. Yaad aayenge ye sab. Wishing you all the best bro!!

**Aayush Anurag :** Saale, har baar tune mujhe kheech ke H5 tak le gya hai lecture hall se nikal ke, but I am so glad now tune ye kiya. Infi hasaya hai tune in those walks, Tuts, Labs, between Lectures (hamesha 😊). Tumhari baatein were always a great way to refresh, after those boring lectures. Tuts toh kabhi boring nahi hua. Serious baat ke end mein bhi jokes maar deta hai, but tu caring bhi bahut hai (Mentees ka itna help kiya hai). Sab higher studies plan ditch karke apan alag hi direction nikal liye. Bas haste reh jaise abhi hasta hai. Hope to meet soon..

**Pranay Raj :** Murga boy, main tere se hi sabse pehle mila tha 10th floor pe. Phir saath me 4 saal kab nikal gye pata hi nhi chala. Bahut maze kre hmne. Maine hamesha tere jaisa smart and helpful banne ki koshish ki par nhi ho paaya bhai. Haan, pubg main tere se zaroor accha khelta hun par bht life lessons diye tune (including those pakau ones jisme tu ek ghante tak mere ko aur karthik ko apne divyavachan sunaata tha). Pata h meko ki tujhe bahut dukh hoga mere se bicchar ke but don't worry apan ka milna julna toh chalta hi rhega. And be ready for the next trip. Keep smiling and all the best.

**Sarthak Khandelwal :** Hardik bhai, yaad rahega tune mujhe MI mein ignore kiya :(((( Hahaha this joke will never get old! Thanks for all the times you've solved my doubts or arranged for notes right in time before every exam/quiz! It was fun bullying Ishita with you and doing random things during lectures! Stay in touch bro, take care.

**Patel Harsh :** Yo Hardik!! Insti ka pehla tour apan ne sath me kiya tha shayad if you remember. <3 Aditya ki kese lete the apan freshie year me! :p Baaki acads ke liye kai baar tune help kari be it assignments, lab reports, tut solutions. Thanks for all that. Really sorry for vo Abhishek Upmanyu wale event me nhi ghusa paane ke liye. honestly possible nhi tha and me khud kaafi mushkil se ghusa tha.

**Aman Kumar :** You were my damp mentor and believe me you have an important role in my academic improvement. He used to call me for regular damp meet while many I know chose damp as an por just to raise their resume standard. We used to meet even he was not my damp. His words were hard but intentions were soft. We worked hours to make relevant changes in resume. From helping me to improve my academics to assisting me for internships he helped me in various ways. We couldn't talk last sem due to his exams but still he used to reply on whatsapp if possible. All the best!!!!
