Kushal P Yadav : I still remember this from our first conversation "Bro teri CPI kitni hai?" "Fuck meko bhi apni CPI badhani hai" Ya sure, why not :p

Aditya Venkatraman : Yo bro, kitna pareshan kiya bey hum donon ne ek doosre ko 3 saal xD Tere freshieyapa aur RR se lekar tere BT scenes tak sab dekha chuka hun but jo bhi tha apan ne kaafi zyada mazey kiye milke. Jo bhi hai, tu dil ka bohot accha hai bro, and sabse zyada teri loyalty, tera dedication aur tera passion nazar aata hai no matter where you are and what you're doing. Too bad tera Europe semex dream adhe mei reh gaya, hope you get to go back. Teri treat abhi bhi bachi hai x)

Tanya Mamgain : Hi Nikunj / Nikki :P Meko bhi indore trip pe pata chal ki car driver krne k lie skills nhi bus hausla chaiye :P Tum bhi dance , film making , editing, euro trip sab krte rehna . I hope we meet soon ! Miss you

Kirtesh Ajay Gadiya : It all started when my family gave you a car ride back in year 2010(starting of decade) and being with you till now. You are one of the few persons with whom I lived this decade. Just enjoy in Bangalore too the fullest. I will pray for you to have a life like Suits in your real life (very dynamic). I am sad for your Euro Trip. All the best! Be Wild always!

Amarjeet Kumar : Yo bro!!! Gym chale?, body nhi hai, Idki bhi nhi hai life jhand 🤔🤔 bhang wali Holi... or kya kya i remember teri wajah se hmlog insti ke pehle lecture me late hue the. You are self motivated person stay in touch bro and all the best. Teri treat pending hai, Peete raho jeeto raho cheers 🍻

Sarthak Sharma : Nikudaaaaa! from working together in MI to interning together to random final year talks, we have come a long way. Kaafi hardworking aur mast banda hai tu bilkul aise hi rehna :p Thanks for making me a part of the Coffee Club (ek grand reunion party due hai) Bhai intern time par alag maze kiye hai sath mai, mai JPM ka dekhta tu bhi dubara SCB ka scene dekhle xD BLR mai weekend plans execute karte sath mai! also woh NY trip ki deal break nhi karni!

Vatsal Khetan : I thank God ki teko chemical nahi mila, and you ended up in civil :p. Your constant support to me over the past 2.75 years cannot be expressed in 700 characters. The way we used to fight over petty things, and then realized ki we cannot stay without reconciling and becoming friends again. I am going to miss all that lecture hall sath me jana, that h2 ke samne ruk mai aata hu, the midsem, end sem times and screwed up placement prep. Most importantly, the moment we realised we got placed together in the same slot. I savour all those moments. PS: Thoda rona band kar.

Risha Agarwal : Hey! Thanks for being a part of one of the best days of my insti life? Going to a concert and ending up in a super unexpected meeting w Ak was so so amaze ❤️ I hope you keep editing movies and travelling a lot! Stay in touch? 😊😊

Drish Mahnot : Kyu jaana tha chemical? Khush reh Civil me hamaare saath :) ITSP me I tried to convince you kaafi. Thank god for Kevin, uski wajah se we became good friends. Goa was a lot of fun, kabhi aur bhi trip karenge and koi trip par jaayenge :D

Anmol Gupta : Yoooo! "Speaker dena thodi der ke liye", "Mattresses ka kya karna hai ab?" Half of our talks were based on stuff and arrangements in the wing haha (that room-clash, of course :P) But times spent with you in the wing were fun bey. Really wish we got more of it. Final year would have been fun in the wing (even though we both were anyway moving out of DN :P) That knock on the door lol, I legit cannot forget that moment XD Tu travel videos bahut epic banata hai yaar _/_ Foreign experience bhi kaafi le liya insti mein tune (influcing kaafi kaafi Shirucafe pyaar :P). Sem-ex though :/ but anyway! Machate reh! And let's meet some day with a DN-reunion!

Mohit Deshpande : First year me SilverScreen ke har event me milte the apan. Bombay showreel ke time tune hi ghumaya tha mumbai aur apan sab ulte seedhe stunts kar rahe the taaki apni photo acchi aa jaye apni. Aur phir andhera hone bohot hi sasti light paintings banayi thi. wo saari pictures recently hi mili mujhe wapas including the divider one....First inter iit me apan ne kitni fight maari thi sab kuch cover karne ke liye and tu poore time peeche pada tha ki kuch accha karte hai Timelapse banate hai, bandiyo ke interview lete hai chal ke XD jaise jaise sem khatam hote gaye apna milna kam hota gaya but i do hope apan Bangalore me wo "kuch accha karte hai " zaroor karenge!

Cherub Kapoor : Nikunj!!!!!!!!!!!!, aapko yaad hai first day ko Mhaske ke through Silverscreen ka video lene ke liye fight maari thi maine? Aap sabse pehle senior thay jinko insti mein mila mai. We've come a long way wahan se. Bhulna mat kabhi ki aapne 5am wali local mein ditch kiya tha, aur humein khudse movie banani padi thi, aur jitaye bhi thay xD I know aapka France trip thoda fk ho gaya, but your wanderlust is contagious, and it'll take you places and you'll attract amazing experiences and people I'm sure!

Pattisapu Divya : Nikunj! We had a lot of fun together in the first year. You repeatedly taught me how to use a DSLR and I forgot and called you for yet another lesson. We've had long talks about all topics. I'm sorry about Salsa night. You not only had to deal with an un-gracious partner (awkward just doesn't cover it.) but also had to listen to her claptrap. In the end, we were great friends and it was your job to deal with my chatter. The last chat we had in Rucha's room before your adventure overseas was also great fun. Conversations with you are always enjoyable. I'll miss you!

Kevin Shah : Not really a goodbye, is it?

Nutan Megu : nikuda. hahah fam ke sabse kam dramatic member. i dnt rmmber how u got in but i rmmber all teh amazing memorieswe amde sath me. hehhe pyaarse baat krte ho ap sabse . n even tho sm might think u r chalu (which u are jk) u are really thoughtful of other person's feelings and perspective, bhot achi photography and film making krte ho . apan ne ab tak music videos nai bnaye but banate hai. lets have more trips infuture togther haina and travel vlog banaenge . keep in touch .. u r very mellow.. heh but also very nice.

Yash Lakade : Kya bhai, aa jaata mere saath Mines, mast ghumte apan and ek semex toh ho jaata pura :P Itna stress mat liya kar, thoda chill maar. Milte rahenge bro but you trying to make me an alcoholic, that ain't happening xD Atleast naukri chalu hone k baad sunny se thoda better place jaana :P

Ayushyamaan Raj : One of the most simple and humble friends I found in insti. Sharing lot of things from MI to Old Monk XD. Bhai apan saath me bhut maze krte hai, Woh convo wali Old Monk, se leke video editing krwana fir Taiwan wali didi se milane ki setting. Bhai, Bangalore se joining aye toh consider me as a roomiee 😊

Kavish Rathod : Yo Nikunj, Kya hi bolu aapke liye, the first senior interaction in insti was with you. Woh silverscreen ka video making session and then uski H2 waali party. Uske baad same hostel and same wing. Woh xyz logo ki bitching xD, Gyra practices, life ki baatein starting with your "Aur bata", me yeh zaroor bol sakta hu aapke jaisa sacche dil wale and humble aadmi bohot kam hai, aapka woh foreign obsession and how excited you were for the semex :/ :/ Finally first year waali party ho hi gayi aapni and kya epic party thi woh daring road par phookna xD, aur room waala pre booze and BC ab toh capacity badha lo apni, khatam hote hi party karenge mast !!

Nishit Nagar : So many night outs we did together from freshizza, sophie films, film GC to ELaw and every exam we gave. I would always remember teri sleep schedule ki theories, cribs mein marks badhane ki techniques, class ditch karne ki timings and treats avoid karne ke bahane. Your dedication towards finding ways to go on a trip is admirable. Ghoomte reh aur travel videos banate reh.

Lokesh Agrawal : Nikuuunnj.. Chemistry se bach gye bhai apan BC karke.. Wahi kaafi hai. And ofcourse apna lab group will be the best jisme koi kaam nhi karta tha😂😂. Civil me bohot chill maara hai apan ne ..humesha last min prep ki hai sath me especially in 3rd year. And all those coffee club outings, and Tera treat nhi dena and randi rona 😊will be remembered too😊. All the best and stay in touch bhai♥
