Aur kya kya nhi kiya iss 🤔🤔🤔🤔 ne. But yr ek baat khu life jini to tune hi sikhai. Aur han jyada pubg na khela kr 🤔🤔🤔.

Harishankkar GK : the sports guy...I still remember the discussion that we had along with Jayadeep, Vikas and Anurag in the dining hall after dinner(the night before an exam)..though the discussion was political, I am glad that such things are happening and u were open to it..I see u as a focussed dependable person..all the best for your future

Amrit Prittam Nayak : Even though we were in the same coaching but destiny finally played the dice and made us friend at IIT B. Your sarcastic laughter will be missed. Bold and strong physically(true haryanvi) but equally soft hearted. Keep up your sportive nature and always come out with flying colours. Keep up with your good work and stay in touch. Last advice: PUBG (baaki you know).😄😄
