Drish Mahnot : MVP of my ABI Intern. Dude you remember ek baar I was skipping the day and you called ki FIFA khelne aa jaa xD I think >50% of our intern was just playing FIFA. Itna khelta hai to kabhi jeet bhi jaata tu xD Sirf Ronaldo spam karta hai. Have fun there, yaad karna jab khelega!

Viraj Singh Parihar : Tenure ke baad mila hi nahi bc. Wo Hospi room mai gaddo pe sona to hamesha yaad rahega♥️. Aavhan 2019 to kitna machaya bhai tu marki mai ♥️. Tere aur Kshitiz ke saath nayi nayi cheeze try karni thi last sem mai 😊, ho nahi paya wo to. Machana bhai life mai aur touch mai rehna<3

Ankit Raj : Started with nok-jhok during GC last year later we come together in same council and bond become stronger. Jab bhi time mile mai, Tu or kshiteej ne kaafi enjoy kara. Most memorable moment was Lonavla (council trip), jahan ki baatein sayad hi kisi ko yaad ho 😊. Will be in touch and hopefully hum saturday ko na milen 🤔 (refer to lonavla)

Soham De : Complete pagal ho but kaafi accha interactions bhi hua hain in lab, workshops and elsewhere. Best of luck sir and best wishes for your future :D

Naman Chindaliya : Bhai tu best lab partner tha. Kafi lazy par kaam karne wala. Har bar on time submission and har baar last day kaam, fir decide karte thai ki agli baar jaldi karenge. After PPO, I was quite impressed by your IDGAF ideology xD. Also, if given chance I'll ask for same lab group :) always. Bangalore hi hai, milte rahenge.

Karan Kothadiya : It was an awesome experience for me to work with you. Hospi was a lot of fun xD Tum teeno satyam shivam sundaram agar final year mai aur milte toh sahi rehta :P Have a blast going ahead man. Anytime you need me, bas ek message daal dena. Love, K

Kumar Saunack : I'm still not over the fact that we could not atleast get Blackcats caps for everyone. Thinking a bit, I haven't actually ever seen you play volleyball. But I *have* heard a lot about your legendary face saves as libero. I'd like a live demo with front row seats sometime. Like with Kshiteej, thanks for putting up with my attempts to get through to Aayushman via you. Oh, and if you want to get some pointers for CS, I'm here to help.

Patel Harsh : Swapnil!!!!!! Bhai starting ki meets me kese chup chup sa rehta tha! Vaha se sidha admin nom..😁 It was great working with you..! Awards meet to bhai kya hi bole ab😁😁.. Tu kaafi calmly baat krta h logo se and that's one of the great qualities in you! Aese hi machate rehna life me aur treat bhi de dena kisi din! Stay in touch..♥

Aditya Dev : Breakfast karke so jaye and bunk classes again? Miss those days ruining our grades and sleep schedule. All those fights we used to have over CoC and pubg. Late night CSgo and how you used to get owned in literally every game and then hearing your lame reason "bhai lag horah mera". Don't know about FIFA. Proly same haalat ig. Stop playing the victim card everytime. Also, I hope you regret that nobody is making any more memes on you 😊. And please stop smiling like an idiot when you wanna say something serious 😂. And please start making decisions for yourself before you end up with 3 gfs again.

Lokesh Agrawal : Agasheeee L**u.. Bhai apan ne toh bohot maze kiye hai 3rd year me.. Remember the first behind sac..Tere se chala nhi jaa rha th😂😂Xd.. Uske baad se toh apni nights lit rahi hai..Vishal ka room, tumhara room..Woh tumbbad wali raat hai..Kaise phatt gyi thi sabki!! 😊All those good memories. Touch me rehna bhai aage bhi aur milte hai ♥

Aayushman Mishra : Bhai<3 Jitni gaali di haina tujhe 4 saalo me usse hazar guna zada bar ye socha hai ki sala college ke baad tere bina kya haal hoga mera :'(. Fifi nights, daaru plans jo humesha fail hote the, padhai karne baithe nahi ki ek ek haath hojaye(PUBG) XD Bhai dil se request hai banglore jaake bhul mat jaana..abhi jitni trips maine katai haina wo saari wapas karni hai apan chaaro ko! Milte rahiyo

Vijay Ramchandani : Love you Agashe bro ♥

I can't believe you managed to escape a thrashing till now, you sneaky lil snake (haha xP) Bhai, all the BT we've have to endure and face together whether it came to the coolers or even with the resoiling or even our initial days for the hospi team of Aavhan, but they make for great memories to look back to. Good luck with everything ahead bro, just don't forget us when you go onto to do greater things ;) Take care man :D

Vivek Sehgal : Swapnil bro! In first year I thought you are very serious but with time got to know tu chalu bhi hai. Loved playing cricket with you. Whenever we met in it was great. Your talent to not sleep after doing breakfast was extraordinary baad Mai baki log bhi follow Karne lage. Sports Mai Bhai machata hai. You are a person with a good heart keep that with you. Hope you realize your dreams 😊!!

Luv Nainwal : Haggashe, SwAp bro! Garnier facewash brand ambassador but best to beta hi hai. First year me kitna chill kiya bhai saath me from bunking classes, Guitar jammings, chilling. Shayad Darshil se zyada to mai tha tera roomie tab xD Sorry for dropping your phone. Lekin kaafi aalsi hai tu. Games and TV series dekhnaa kum karde. Apna MagChau Booti would have not been possible agar tu nhi hota. Kya mast edit nights thi apni. Sorry, saari mai akele hi kha gya. 1 floor neeche rehke bhi hamesha mai hi tere room pe aata tha, kitna aalsi hai yaar tu. Infi motivated for sports and Gym. Almost all the movies and TV series i've watched have been recommended by you. Stay in touch bete <3

Kumar Saurav : Mishra-care was expensive, to say the least - so much respect for handling most of the expenses 🙏♂️. And for waking up without hurling any abuses for the times when we popped up unannounced 🙏♂️. Btw, you're a bigger person than me, admin sir, so please stop with the aap 😊.
