

NIKHIL YADAV
Chemical Engineering

Ayush Ankit Singh : Baba bhai tujhse chill banda nai dekha hai mene. Tere sath har funny situation aur funny ho jata hai. All those anime and games recommendation ♥. Kitni outings p apan gaye the aur kitni abhi janne wale the. You are always ready for any random plans. Through the years, I think no one has the kind of transformation as you did. Matlab first year aur abhi main koi resemblance hi nai hai. You always talk very logically and have very clear mind in every situation. Our team work in electro chemistry was dream work 🤔. Bohot maze kiye hai apan n sath main, chahe vo soc secy tenure ho ya fir last semester, we always went to the most memorable trips and made most of each moments. Looking forward to

Khidir Usama Abdul Karim : Baba kya kehna us insaan jo wing me sabse sorted wali feel deta hai! Wing me itni respect hai ki "aap" se bole jaate shayd woh aapke calm aur collected nature ki wajah se hai Woh Neema ke gale me haath daalke convince karna toh koi aap se seekhe. Maine jab bhi dekha hai decisions bohot calm aur collected tareeke se lete ho. Mujhe work ethic bohot pasand hai aapka - jis kaam me mann laga liya ho woh karke hi rahenge fir - soc secy se koi bhi learning wala topic ho. Bohot bakchodi bhi ki hai appanne saath me - Panda ke room pe, itte saari labs me saath me. Seriously bohot respect hai re tere liye aur teri har aadat ke liye. Yaad karliya karo kabhi :P.
