Yash Shrivardhankar : Oye Bhopali! Gym kaisi chal rahi hai? I will never forget our standup meets xD. Also IE501 ke midesem wala core vs noncore ka discussion. Stay in touch! All the best!

Amarjyoti Nayak : People call you Bhandari, but I call you Sameed. I know it's wrong. It should be Sameed. Well, you are one the most focussed guys I have ever seen. Your behaviour was also quite matured. And you are not seen talking much unnecessarily or rolling on the floor with laughter. Your emotions don't come out quite expressingly. But, you are polite and well-behaved. I liked your sincerity and dedication. I wish you the best life ahead.
