Mudita Rana : Motuuuu♥ Tere Bina Kya karti Mai S2 me😂😂😂 and likewise :)) so so glad you got shifted and I found a close friend in you. You've always been selfless and helpful in every way (to everyone 😊😊). Itna saara khaana khaya Tere room aakar sorry :p and thanks for all the nutties ♥ Aage jab aur padhegi toh please exams ke pehle chalu kardena :p

Aryan Agal : Punneeeeeeeeeet. You're such a fun person. Tere saath club mein give up hone se bach gaya. There's few who are as caring as you. And I can't thank you enough for making 2nd year this lively. Tune 2nd year ke baad toh itna zyaada macha liya ki Mai kya bolu. Intern se seedha GS se PPO. Teri treats bachi hai multiple. Mujhe ab tak nhi samajh aaya ki why you slept at 4am, came to events next day and complained about a headache each time 😂 Anyway we have had less contact since year 2 but jab bhi milti hai, it's like 2nd year. Thanks for being there and stay in touch. Love you loads. PS: Sorry for pulling you over the foot bridge but main gate wali crossing bahut dangerous hai XD

Aayushi Baheti : If there's one person I have bullied in college, it has to be you :P From almost hating you to having this deep admiration and respect for you, you completely changed my perspective with your selfless nature (and that 100 pages wala card :P). The entire chemical batch will remember you for sharing notes, exam papers, and every other helpful resource, even when you haven't started prepping for the subject yourself. You have no idea tujhe kitni duaayein mili h :) I may have never said it, but there's a lot that I have learned from you and I will always be grateful that we became friends. Thanks for letting me bully you (tu harkatein hi aisi karti h though). And I hope jaha bhi tu rahegi aas paas ke logo ko apni hassi aur baaton se raat ke 2-3 baje nahi uthayegi <3

And I can't find words to let you know how incredibly lucky I am to have you by my side. So I will just remind you why I love you sooo much. All those post-drinking sessions(where you always ended up listening to some crying baby :p), all those hospital wali funny trips where we used to show our acting skills xD, all those late-night gossip sessions with your Dmart stock(:p) where we would laugh our hearts out, all those perfect mall trips where we would spend hours talking. All this shows how comfortable I have become with you. You are my go to person and hopefully you will always be. Mukul Jangid : Neet bulau ya Double chin? I think Neet sahi rahega. ED ke chakkar mein pehli baar mile and itni maar meine jindagi mein nahi khaayi jitna tu dosti ki naam pe 4 saal se lagaye jaa rhi hai (I'll never forgive you for the library incident). I wish apna internship time kabhi khatam nahi hota aur apn humesha pseudo roomies rehte. Tu bohot caring dost hai buss thoda rooya kum kar and PDA bhi kum kiya kar. Baaki toh pulling your cheeks (and leg :p) was the best thing ever. Sorry for all the jokes but jhelna padega lifetime kyuki option nahi hai dusra and tujhse badi content ki dukaan mujhe aur kahi milegi nhi. Finally iss saal ke hugs ka quota khatam nahi hua hai so you'll have to meet me soon <3.

Arnav Dewan : one of the few north waale jo actually north waali harkate karte hai. Super duper respect you and thanks a lot for sharing sooo many solutions before quizzes and endsems. I swear, I legit passed in some courses because of your solutions. You are a unique person and a co-dog lover! Always stay in touch!

Sarthak Sharma : Hi fellow HP fan :p Thanks a lot for all those last minute doubt sessions before exams. Almost har exam ke pehle tune kuch toh padhaya hai late night/early morning LCH ventures mai :p assignments and past year papers jinki wajah se mai pass hua hu uske liye thanks xD You're the sweetest person that I have met in the institute, itna cheerful and helpful koi nhi hai :D Hamesha aise hi rehna and keep spreading positivity! Thanks for those motivational doses during placement semester, I'll be forever indebted to you for that. Apoorv Kishore : Yo Puneet..there was a day in Bangalore when we were in a lot of rush and going someplace when you started putting in some food in your bag. I thought you were being considerate as you always are and keeping it for us but you casually gave it to a poor beggar on our way as though it was something you do everyday. I know it is a small detail to point out but it is not a small thing. That day you made me think long and hard abt what small acts of kindness would mean to the people who we love let alone a poor beggar. You are such a caring person. I know I haven't known you for a long time but it sure doesn't feel that way. Kerala trip wouldn't hv been half as fun without you. stay in touch :)

Ashi Gupta : Hey Puneet♥.... Labs nhi ho paati tere bina sahi me.... The effort you put in to help friends is incredible.... Sabko notes pauhchane se lekar... Group par paper post karna... You achieve whatever you decide😊....these days your painting are♥.... Yaad karte rahna GS me jaake bhi... Bhool mat Jaana.... Best of luck... No doubt you'll achieve height😊

Mrigank Mahajan : I don't know what I would have done without you. I'll always remember MI results k time pe humari us raat ki baat & intern interview k liye subah 7 baje tak prep karna for which I honestly think you are a much better fit (GS is lucky to have you), also thanks for helping me focus during intern with all that going around me. Looking back, I don't think any of it could have happened without you. Also jo tune poori raat cse dept mai baith k eco padha k pass karaya tha. I really had a great time through all the movies, walks and trips-HN, Marines, BB, Pizza hut, Bhandup. I admire your honesty and frankness. Always be the same & aage bhi abhi ki tarah machate rehna. Jovina Vaswani : You have spoiled me with love, care and tolerance, all of it while asking for nothing in return. You have let me give you hugs and kisses all the time, even when you are by default a bit averse to too much of PDA. You have been sweet and kind to me, every time, since the moment we were introduced to each other. You were just so nice, and so special that I had no choice but to open up to you, and doing that was one of the best things I have done. Chhoti si, cute si bachi lagti hai tu♥️😘. Hamesha aise hi rehna. And please mujhe kabhi mat bhoolna. We gotta go out on more of pizza dates😘. Oodles of love and heaps of hugs, Jovina

Arpit Agrawal : Abeyy sunn tu bahut irritating hai apni shakal mat dikhana mujhe Bangalore me dobara... Bahut pakaya hai be tune poore intern me and jaan khayi hai bahut... Mujhe pata hai iske baad bhi tu tapak jayegi kahi na kahi se and irritate karegi bacho jaise... But yaar tu infi machati hai be... Assignments share karne se lekar mujhe group se nikalne tak :/. Bass aise hi logo ki madat karti reh and pareshaan karti reh and khush reh mera aashirwaad tere saath rahega hamesha... But milte rahenge (Bolna nhi chahta but still) XD !! I still regret tht(purposely 😏) moment jab lab partner banne pucha tha but uske baad apan ne bhot saari yaadein banayi hai. Tera itni baar muje thappad maarna, gaal khichke muje irritate karna, random itni lambi (pointless too) stories sunana, infi threats, infi i hate you and mera tere height and weight pe jokes marna, all those discussions in gullu ki konsa elective lena hai, lab reports, games, dinners and what not.
