Pankaj Kumar Sahu : Hi Ankush! I must say that we are very very very close friends since our first year or when we interacted first time. You are the person of our class jo hmesha sabki care kiya hai sabko ek sath lekar chala hai. I think you are the best CR of M.Tech. You are the persons whose thoughts also inspired me every time. ek do bar apne m jhagda bhi hua but usk liy shayad halat hi responsible the. Jha Pyaar jayada hota hai bha y sab toh chlta hi rhta hai. I am proud to have you as one of my closest friend of life whom i think i could shared most of the thing in the campus. Love you Bro. Take Care. All the Best. Be in touch. Thanks Ankush Bro!

Ratnesh Srivastav : Bro..! Your USP is the way you tackle with difficult situations. You had held the 2 main responsibility i.e CR as well as Dept. Secy which demands courage and leadership skills and I must say you excel in both these essential qualities. In future too keep these skills intact and extend your helping hands to the needy as you always did in these 2 years with each one of us. Thanks for everything. Wish u all the best!

Mufassir Khan : Kudos to your tenure as CR and GSec. You performed your responsibilities in exceptional manner!! Wish you all the best :)

Sandeep Kumar P M : Hi Roomie, You are a great human being and the most influenced person in my life at IIT. I think you believed in my abilities more than me. Agar tu nahi hota toh mera POR wala column khali rahta. Whenever we need a leader, the first name that comes to my mind is yours. It's not an easy job to bind everyone together and lead them. You did it very well. Tumse judi yaadein toh bahut hai, but the best ones are those discussions(or arguments) we used to have and badminton at H4. Unlike me you are a very optimistic person (Sometimes I was surprised by it). Sorry bro tumhe Malayalam sikha nahi paya. Looking forward to your start-up plans.

Ankit Raj : Bro - oooooooo !!! Are nhi brooooo !!! Na - Na Gal ni kadni !!! Aakhir kaise bro !!! Kya itna bhi swabhiman na tha !!! :p Aise bahut hain lakin yeh kaafi unique or yadgar rahega, aaj bhi insti me koi bhi event hota hai toh sabse pehle name tumhara hi yaad aata hai ki hmne ek event nhi chora tha. No matter what, class hi kyu na chorni pade. Especially "Subramanyam swami and Sadguru". Cult night me chilana or koi bhi event me arbit "waah waah !!!" krna. Garba, Singing, Drama, Poetry, Standup, TF and MI kuch bacha toh nhi orr. In sab jagah apni yaadien hain. Last me Goa trip. Bahut support kiya bro tumne without knowing any past. Aise hi aage badhte rehna or margdarshan karate rehna. Be in touch

Padigapati Mallikarjuna Reddy : Ankushhh, Kaise ho? You turned out to be one of the great friend in IIT. Your badminton skills are very good. You are always ready for playing most of the games and are very good at playing badminton and cricket. I still remember your shot during badminton which came straight at my chest with super speed. The tug of the war GC we participated was awesome and it remains one of the best short group sport I participated. You were very helpful when we required anything. You turned out to be a great CR during the time and I am sorry I missed Goa trip in 2nd year. Your room was our hangout time in most of the free time and I enjoyed a lot. Thanks for the memories...
