Pushan Bal : Pipariya!!! We bonded over watching BB ki vines in H16. Remember the time we pulled an all-nighter to prepare for DIC endsem. You held one of the biggest POR's in the insti and yet managed to make small talk with me in the washroom. Thanks for correcting my mistakes in the assignments :P. Hope to stay in touch. What I have written is very erratic and non-connected but joining the dots is what reminds me of the good times we had. Hope you will too!

Atharva Surange : Sabse pehle tere liye likh raha hoon tere kehne pe lol! English nahi pelunga, usme feel kahan xD Apan insti ke 1st din mile the, H16 mein TT khelte samay, uss din se hi mujhe lagta tha tu Ravish Sir (Pace waale) ka beta hai xD Yaad hai ek din mess (H16) mein baithe hue tere dad aur bhai ki info main hi tujhe de raha tha xD Bhai aur MAC time <3 Maza aa gaya tha tune toh bc without saamann hi nikaal liya pooraa MAC xD, kya bowling karta tha bhai, itni fast ki G**** fatt jaati thi! Kya din the <3. 2nd yr se to OC sir kya machaya hai 4 saal tune. Bohot maze kiye bhai saath mein, 1st yr MI,MAC,intern ka RR,meta ko gaali xD Jagah khtm ho gayi yaha bc! Machate reh bhai, jald hi milte hai <3

Chinmay Kalra : Pirsam bhaiya!! One of the original founders of Bhh and my only first-year wingie who along with me didn't understand a single word of Marathi. Tere hi room mein sab BB ki vines dekhte the. And u remember us taking Pushkar to hospital at 4 in the morning 😂? .. Tune hi mereko woh golden rule sikhaya thaa, ki koi aadmi kuch kare ya na bhi kare, woh to hai hi ch***ya 😂. Even though our paths diverged quite a bit from second year onwards we would still meet and bond over 'core Meta ko gaaliyan dena'. Jaise aapne MI machaya hai, waise hi aage zindagi mein machate rehna. Thanks for being a part of my insti life bhai!!

Arpit Agrawal : Bhai prasham apne saath toh bahut badi tragedy hue thi be... Saale mai tujhe utha raha tha ki tera bag gaya and tu tha ki ditch mujhe sone de XD... Bhai best experience tha be MAC par apna... Woh punjab me ruk kar sochna ki wapas chale kya... Phir Sanasar me bc kapde kareedna... Delhi me pata chalna ki bag mil gaye hai phir bhi bag nhi milna :P. But bc tu uske baad saala MI me itna busy ho gaya ki kabhi mile hi nhi.... But bc bahut machaya be tune MI me.... But bhai milte hai yaar and kahi chalte hai MAC jaise saman ka dhyaan rakh kar XD....

Arjav Shah : Pipariya!! Had some of the most memorable experiences with you! Right from the beginning I could relate so well with you & looking back, I just wish we could have spent more time together in the later years. Initially lagta tha ye banda kitna depressed rehta hai but pata chala ki shakal hi aisi hai xD From IPL Auction, Marine Drive, HN Shopping xD, 'Give me some sunshine', RC Planes ('What do you expect from me!?'), to Raghav & aapki GPL xD, MI (OC Sir _/_), Dillu treat & what not?, we've done it all! Here's hoping that our paths cross again & we can do some more 'random' shit together! Bade ban jao tab bhul mat jaana & will miss you until our next shopping adventure ;)! Yours, Baba <3

Pushkar Saraf : Prashammm... wing maise sabse cool insaan. I remember mai first year mai thoda chomu tha but still we bonded over quite a few things. I know 2nd year se apan dono busy hogaye lekin Jab bhi milte the tab I knew we still had a bond. Dost toh hamesha bane rahenge. Kabhi ladke lage to go beat someone up XD XD toh bula lena pata hai na mai hu!! :)

Sarthak Sharma : Bhai ♥ MAC wala time tumhari vajah se hi itna mast nikla! Tumne jo apni situation mai literally adapt karke machaya ta woh kabile tareef hai. Uske baad toh Sir aap ki gaadi ruki hi nhi machane ke mamle mai :) But beech beech mai jo regular basis par apne funny interactions hote te unhe bahut yaad karunga. Jaldi milo 3 Dinesh wala game dubara khelna hai ? Stay in Line xD

Aniket Ranade : Bhai, Divided by IBs united by Marki. Pehechan to first year se hi thi apni vaise. connect tenure mai hua sayyad. Same hi BT hoti hai har marki vale ki, marki ke naam pe sales ka kaam hota hai XD. Tenure ke baad ki voh beer yaad hai mujhe, aur pure time mai OC ni banunga vala statement :P. Iss sem ki beer reh gayi ab mere joining ke baad chalte hai please. Yaadon mai to rakh hi lena bhai gareeb ko XD. Best of Luck bhai!

Abhinav Dhakras : OC sahab. Saale tu ye last year jitna diplomatic hua hain na uss cheez ke liye toh bilkul maaf nahi karunga bc. Lekin first year se H4 ke liye and baadmein MI marki ke liye jo saal apan ne guzare hain have always been the most memorable moments. And woh ek treat ka nazariya jo gine chune logo ne dekha hain uske baad toh kuch kehne ke liye raha hi nahi. Your secret to the grave ❤️😂

Rushabh Vora : Yo Pipariya! First year me apan ne bahot maze kiye hai bhai♥. Your room was like second home, tere beizzati karke nikalne ke baad hi waha se nikalna😂, logo ki bitching(especially that one person😂), teri depressed shakal pe roasts, exam prep, cricket talks, Teri GPL🔥🔥 and many many more. Although first year ke baad interaction bahot kam ho gya😞, I really admire you for becoming CG and then OC👏. You are very honest and down to earth person. Let's catch up sometime soon and bhai future me bhi aise hi machate rehna! Miss you bhai!

Divyadarshee Das : Our one and only prisham pipariya. From day one you had the eyes of Bob Marley😂. Your YouTube video is hilarious. You had the enth from first year itself to something fun in insti. Which resulted in Sameer hill after night out, the Imagica, and many more. I still remember when we were one of the rides and all of a sudden we moving backwards and you said "ab toh gali dese". Man you are amazing which is why you were worthy to be an OC. Keep up the good work. Best of luck bro.

Arsh Akhtar Ansari : PIPARIYAAAA.... Bhai machate ho aap life mein. Alag fun personality h bhai. Tumhara linkedin almost band karne ke liye sorry. Tere card se ek extra server chalane ke liye bhi sorry bro :P. Summers mein subah subah uthke tumhe aur mundra ko pareshan karne ki bhi alag hi feel thi :D. OC bante hi saala badass se diplomatic ho gaye tum to. Alag level dedication thi MI ke liye but. Snapchat ke raat ke calls Sayan wale. Itni random meets. App ke liye collab. Kya kya nhi kiya bhai. Aise hi machate rehna aur bangalore aate rehna <3

Amit Gangurde : Pipariya OC!! I guess wing mein sabse pehle tera hi LAN chalne laga tha, isliye tere room pe hi aake arbit videos dekha karti thi junta 😂. Kaafi saare outings kare yaar apan ne. 1st year ke baad toh interaction kaafi kam ho gaya but Bal ke sessions and minor mein milte rahe. Kalra ke room ki graffiti best thi bhai 😂. Machate rehna life mein and stay in touch!

Aayush Anurag : Prasham bhai, Mechanical Workshop se lekar Thin Films lab tak, saath mein har lab mein apan ne itni bakchodi ki hai (aapas mein ya TA ko hi pakad ke), hamesha yaad aayegi. CG aur OC ke kaam ke saath bhi jab bhi mila hai, ek do humorous lines and laughter zaroor share kari hai<3. Main toh ofc kabhi nhi bhulayunga, beech beech mein message karta rehunga. All the Best. Aage machayega ye toh certain hai.

Vedant Ladha : "Myself Pirsam fraam Pipariya", yaad hai mujhe tune sabko pehle dinn pe aise hi greet ki tha xD Bhai first year toh tere room pe hi guzra hai, sab kuch, chaahe gaana ho ya paagalo jaise naachna (vo step mat bhulna :P) ho ya having extremely dank conversations with Kalra xD (Vo "bhai" aur *** vaala conversation yaad hai?) 1st year summers mein roz discuss karte the bc karni hai ki nahi, finally ab pata chala hi gaya sahi move kya tha :P Yaar, kuch judge nahi kiya tha maine starting mein tujhe pata nahi kyu lagta hai ye 😂 Yaad hai kaise sabko convince kiya tha ki tu first year mein prom gaya tha xD Baaki senti for the next treat (Pata hai I'm being a little (very) optimistic here but okay 😂)
