Aditi Mahajan : Hello Lakku darling(in that creepy tone ofc :p) You know that I love you right? Bhai tere saath jo connection and chemistry hai wo I don't think mene imagine kiya that ki kisi ke sath possible ho payga(Hindi samajh paygi itni? 🤔) I will miss all our south Indian joke sessions where you obviously failed to act like you are angry 😏. But most importantly, I will miss one of my haggi bestfriends, all our outings(especially tere favorite spot wali), our hour long philosophical talks which are my absolute favorite. Thanks for being there bey. I want you to be a constant in my life, one of the precious gifts that insti gave me. I love youuuuuu💛💛 One of my favorite memories of us would be of 29/06/2018, I am so thankful for days like that bc. I will keep annoying you okay?(English use kari so that you would understand 😊). Keep visiting me so that we can watch friends and do all the childish stuff again haha. Love you💜, I am sleepy now, bye.

Mohanish Verma : Finally, I'm writing this after been pressurized, forced and threatened 😩😭. We have never ending memories so everything is described precisely in athletics yearbook and a lot of complains😏. Still few lines dedicated to my stupid sister. It was awesome to spend time with someone who is just like you--someone to lean on,someone to count on. So stay safe, be in touch (because i forget people quickly 😂 and if I will you'll be the first) cause I hate you that I <3 shit(u)😂😂

Sukanya Kudva : Hi Piku, it has been very long since I called you that. You are this one person who is always excited or running around for something. Remember, rushing for our NSO classes in fresh year? We would both hop on my cycle and somehow make it just in time😂. And those times you, me and Sayali used to chat at your room. We had one crazy wing with all of us always secretly planning your gpl... we could never really do it properly. You always got away kicking and screaming.😂 Or maybe we did do it once when we locked you up in your room, I cant remember. Well, those days were something. Anyway, wish you good luck.. hope we stay in touch♥

Also, I never got to know who that secret person was tho, but okayy :P Your jokes are toh out of the world. I had soo much fun teasing you all the time. Stay the same cheerful person and keep in touch!! :D

Vaibhav Kumar Singh : Yo Lakku! Our first interaction at Aakaar meet can't be more awkward. Us moment se leke ab tak, we have covered a great length. Thanks to our load cell issue, we enjoyed & struggled a lot together. You are most cheerful and pure hearted person I have met so far. Yaar vo bridge banana, ps mein haga sahi karna, best memories hain. And apne bet-treats, random talks (philosopher), study, your lame jokes(why-bhav), I love them. Kafi irritate kia hai maine bhi tumhe. Apna insti mein aake chess khelna ka dream. Pani puri khaane chalte milte he, don't forget to send the pic to papa. One day, will make your sketch as promised. Finally, with lots of love, best of luck for your endeavours.

Ayush Puri : Aur priyanka, intern ke time to kaafi masti ki thi humlogo ne, bahut machaya bhi tha tumne intern pe :-p, aise hi masti karte rehna, machate hue :-p, aur pune ki saari khabre to mujhe ashutosh batata hi rahega :-p. All the best for your future :-)

Ankit Raj : Oye Lakkuuu * 3, Lakkuu Oye !!! We don't know each other, till last year wait is this point valid now? Well now it doesn't seem like we meet few months back and we have such a strong bond. All time fun, meet ho ya field her jagah same expression. Will miss those moments, canteen discussion completely out of context, childhood story of mine and vinay and last but not least "Kukkatpally". Tune lakin treat nhi di yaar, aajtak ek bhi nhi. Hope to get soon, will always be in touch and don't forget my biryani.

Aayushman Mishra : Yo lakku! Haha yaar contact yaad aagaya bohot zada mazze kiye apan ne intern pe! I too really wish thoda aur milte last sem me. Kaafi sweet person hai tu :)

Apoorv Srivastava : Yo Lakku. Dekh saare plans tune cancel kiye hain, tu hi busy rhti thi hmesha. 'Don't cry Joni' naam tha us gaane ka. Tera laptop jb bhi chalta dikhega, power button ko bacha k rkhnna (lab me jo tune kia tha uska badla lia jayega :p). Tere humor ka standard bhut low hai pr I think it is a blessing in disguise (xD). Aise hi khus rhna, machate rhna. Lockdown k baad ek baar to chal hi lete hain marine drive, bs tu mt katana. Jb msg krun, turant reply kr dia kr, fir nhi bhulunga.

Siddham Jain : Lakkkkkkuuuu! Agar insti me mere jitna aalsi koi he toh wo tu he, best he tu ♥♥. Kya cute jokes maarti he yaar tu 😂😂. Teri saari harkatein hi cute lagti he mujhe toh. Yaad rahega tera wo chhote chhote umbrella wala dress ♥♥😂😂. Will be forever thankful ki insti me tere jaisa friend tha. Puneet ki Kabhi bhi bitching Karni ho toh humesha sath deti he 😂😂. Abhi tak cookies nhi layi he tu 😭😭, 3.5 saal se bol raha. Text karte rehna life me.

Rishika Gupta : Yo Lakkhu! I love that quirky attitude of yours♥ Wo wing mein random lambe discussions and Puneet ki lena, I'll miss that a lot. That Poker game was so much fun XD. Crossy ke liye sabko motivate karna and khud nai bhaagna 😂 It was fun pranking you cause you always believed my lies (iykwim 😊) Be the same fun loving, cheerful beautiful soul you are ♥ Stay in touch

Jatin Chandawat : Lakkuuuu... It's was fun working with you in Aakaar. Conquer it and CiviQ finally pull off ho hi gaya tha 😂😂. Baki load cell k upar to apni ek story ban sakti h. Himani Gangurde : Lakkuuu♥ Tune itni saari Marathi sikh li mereliye 😊 Freshie year was so much better because of your weird dialogues and witty behaviour 😊 Your room was the perfectly comfortable sleeping place for us 😊 You never fail to make people around you laugh ! Stay the laughter packet that you are ♥♥♥

Naveen Kumar Yalal : "Em potti!" One of the most annoying shortest friend ever. I wish I never had met you, little did I know I had to bare with your "kullu" jokes but bless you, your mom is so awesome and only reason we will meet soon(also biryani). "You must be using Saffola, cause you're a very light at heart person!" now that's a complement in your own "kullu" humour way. Please play more kho-kho, obesity's going to hit you soon. Jokes apart, you really are a very dedicated and very serious about your goals wali bandi. But it's the jolly and crazy part that helps you survive so please keep troubling us and shower your "kullu" jokes on us. You've never set me up on a date yet(you should). Jai mahishmathiii...

Bhavya Garg : Lakkkkkkuuu 😊 em chastu nao? Ye ek line sikhayi thi tu ne yaad rahegi hamesha! I have seen you evolve so much in these years!! You remind me of PV Sindhu whenever you play badminton ♥ You are just as good!! Keep in touch and wish you all the best 😊 You're going to make us

Sowmya Ravichandran : Hey Lakku!! First year was so much fun with you! Sigireddi Yamuna Devi : Lakkuu! You're the most annoying person I've ever met :P. But I'm glad that I found someone equally crazy and aalsi as me <3. How boring it would have been to attend those classes and not get you into trouble under my name :P. Thanks for always being partner in waiting till the last moment and then panicking be it a lab assignment or endsem XD. Bunking a class and watching 3 movies with 1 ticket is something I'll look forward to do again, if I can help let's not get caught this time :P. Waking you up for classes and then ditching them together is the best tho. Ikanunchi aina time ki reply ichi chaav. Love youuuu <3
