Ayan Choudhary : Extremely helpful and kind senior. Kaafi serious & disciplined at lab (jisse dusro ko bhi motivation milta tha :P). How you managed us sophies during autumn 2017 and at the same time delivering your worl is something I look upto. Really enjoyed the 1 min talks on when we just meet riding bicycles on our way to LCH and back to hostel xD. Thanks for being there to guide and Best of Luck for future :D

Shreyas Likhar : Kartik, the senior!!! Ek baar aise hi FEM ke baare me puchhtach kar li aapse and uske baad to you became constant guide for me xD. Placements, courses, profs, future plans and goals sab discuss kar liya and you ALWAYS helped me without a second thought. Aap to ab ISRO me bhi machaoge hi! All the best and aise hi help karte rehna. A big THANKS♥

Malhar Jadhav : Yo Kartik!! I will miss our small talks at the mess. Also ,I had fun spending time with you and other wingie seniors at hostel 7 . Can't forget my intro 😊and sophie party. You are very kind and helpful person .Thanks a lot for your guidance!! All the best for future and lets stay in touch!!

Athul Arun Nambolan : Yo Kartik ! I couldn't have survived the last semester without your help, thanks man. Will definitely miss all those Badminton matches and netflix movies. Your world views, with extreme parallelism to one of our profs (you know that very well !) really made me think about other sides of things and not many can appreciate those. ISRO mein jakein macha abh. Let's not stop all those tech conversations about yeh aisa kuch kyun hai ??? Just don't stop being the curious one.

Kartavya Singh : Hi Kartik! Being in the same wing from my 2nd year, kaafi motivation milte raha he aapse. Will always remain grateful for the insightful talks with you in the mess and aapka guidance in interns, ddp and countless other stuff. Can't ever forget all the fun we had in our wing intro and especially, the sophie treat. All the best for the future and stay in touch!!!

Vihang Wagh : Kartik!!!! You were an amazing senior <3. Your honest unbiased opinions were always amazing, framed in a way that often sparked deep internal reflection. You are one of the most honest and dedicated people I have met. Have fun at ISRO!
