Aaron John Sabu : You're the first person from IITB who's contacted me... ever... Dude, that's... huge... <3 Everything after that has been a long journey, but isn't that a long story as well? :D

Nalli Satwick : I don't know how to start, but you were my everything in the Insti, you got me explored made me meet people and got me to the right track into God. Can't be thankful for the best blessing god gave me, My Shepard. I am not getting anything to talk about you. It is the longest journey for anyone in the Insti. You made me realise what I can do and always helped me in exploring them, Thank's a lot Aashish. I am always more than happy enough to meet or do anything together. I am just 1 text away. All the Best!!

Mukul Jangid : You were the best room mate one can ever get. Without you and your camera skills toh mera tenure nahi nikalta shyd. Jo ek baar tune subah pan cake aur honey khilaya tha mann kiya tha pooja karlu teri. You are a very caring and helping person but just a little too innocent. Thoda important cheezon ke baare mein aware rha kar baaki toh tu bohot mast hai.❤️

Rohit Banavath : Babai! i just can't thank you enough for the things you've done for me. seriously. and senti aside, get yourself a girl already XD

Pragadheesh Kumaran : Nothing maggu❤️😂

Vellala Naga Sasanka : Yo Aashish! Thanks for letting me use your Netflix for an year! 😊. We were room mates in third year summer. Thanks for explaining every dumb questions i ask on cameras. Good luck for your future. Stay in touch:)

Ganesh Chelluboyina : We've always been the late guys and the master procrastinators, delaying studying and assignments until the last minute. I guess some things just haven't changed for us since freshie year 😂 I remember all the labs and workshops we did together, waiting to run out as soon as we'd finish some half-baked work. We'd stare at the apparatus in Kdom and not have a clue what to do. But we managed to pull through everything at the end. I like how you never seem to be angry or tensed about anything. I do hope you get to find somebody who'll photograph you in the future, though! Good luck 😊

B Sanjith Kumar : Hi mama, big man of our batch. All that time we were together we had good conversations. The lab we were in together had fun, from 1 st year to now you are the same. All the Best mama, stay in touch mama

Naveen Kumar Yalal : Rey aashish! Rey Banda, rey! nuvvu POPE(rhymes with thope) ra asalu, first year anta nee kallotone(camera) tone gurtuntadi eppudu. You are always with me for the times we've been exploring in the wild to reach powai lake, for when we have thrown cycles over the gate to pass by H12 to reach the other side. You were sent by god for me to be there for my tough times buddy, really that summer wouldn't have been a better(also bitter endukante kottevaadivi nannu) experience without you. Always ready for eating late night, whether it is canteen or H12, we been on treats for food and every other fun on the insti together. Pursue your love and find a girl for you soon. Love you bro!

Akash Verma : Aashish, you are one of the most humblest guys I've ever met in my life. The way you always helped me, whenever I needed, of any kind, means a lot to me. I guess we first met at that interiit team meet. We all were kind of strangers but the bond we made in those days is priceless. I wish we could spend more time in insti together. Have a great life ahead, Aashish ♥

Aradhya Agarwal : Hey! Apse pehli bar toh inter iit mein hi mila tha and kafi maza aya tha uss time. All that ideation, shoot etc. , bohot kuch seekhne ko bhi mila! Seriously bohot helpful ho yar ap, thanks for always being so nice and sweet :)
