Bhishma Dedhia : Satyyyaaa booi! I initially knew you as Aryan ka "eccentric" wingie but who knew what insti life had in store for us. Sem 1.2 mein Solar cooking buddij form hua and tab se we became close friends. Uske baad ITSP ke time kaafi bakchodhi peli thi. Insti mein tere se chill aadmi koi nahi mila mujhe. I'll fondly remember our trips to H12 balcony and our discussions going all existential xD. Thank you for helping me see the bigger picture during some of the lowest phases of insti life. Tere music recommendations have never disappointed. Tera room became the unofficial HQ of SCB and last year ki kaafi sahi memories hai! Continue remaining the awesome person you are and keep in touch!

Aryan Agal : You are one of the closest friends I have in insti. Literally only because mai jo bolta hun, kitna bhi kharab, tu sun leta hai. Met you as a wingie and we became friends through music and another incident XD. Long walk nightouts pe logo ka psychoanalysis karne mein feel aayi ♥. Tera room apna adda hai, SCB ka tu pramukh member hai. Tu exam mein padhte padhte infi tension deta hai xD. You're never no nonsense and that's probably what I love about you. I can literally dish about anything with you and I'll never feel discouraged. Thanks for the support. Love you dude. Wish our bond grows stronger every year. Can't articulate everything you've done for me in words. PS: Topibaz maxxxx

Purvash Thakre : Yooo niB Baaa. Kaisa hai (Those are your words). "chal koi movie dekhte h". Boht mast aadmi hai yaar tum. I'll always remember apna mutual love for movies, assassin's creed and Indian music and keep pelting you with recommendations. Aur wo meteor shower December wala jab Manoj abhishek baju me baithke bandi pata rahe the. Hopefully aur bhi meteor showers dekhenge sath me. Kisi din firse apne baal kaat me dena merko... Promise is baar mohawk nai karunga achhe kaat dunga. Apne yaha waha jaane ke plans kha gaya bc ye corona, par koi na lockdown uth jae aur mai pass ho jau bache hue courses me fir chalte h. Mere saath gym chalta tu to tere abs banwa ke hi jata by god. You're one of the best people I've met ever. Infi humble Infi mast. Ab mudde ki baat. Bc mera(not really) vacuum cleaner abhi bhi tere pas pada h.. Usko virasat me rakhle. Aur H6/18 ke kutte billiyo ko meri taraf se bhi pet karte Rehna.

Ajay Dangi : Kya likhun mein tere liye, tu to rahega "the_white_wolverine" humesha ke liye. Agar road trip par bulayein hum kabhi (haan Ladakh bhi jayenge) to keh dena tere prof se mein kar nahi sakta ye project abhi. (Waise to sabko pata hai tu room par so raha hoga, kata to tu prof ka bhi raha hoga) Jokes apart tu rahega hamara sharp shooter, Bana rehna isi tarah o hamare weapon master

Apoorv Srivastava : Yo Satya. Tere advice sunne k liye mai hamesha curious rhta. Thanks for the advice when we first went to sunny. Sorry if I said anything wrong. Aur to kya, 'Shunya', 'China wala zoo', 'SDC me Daal-chawal aur Maggi' and of course your 'Topi'. Aage bhi machana, aur bhul mt jana. :D

Arnav Tapan : Satyaaaaahahahaha....sachme bohot kuch mila tujhse seekhne ko, humne NCC ke liye kuch karne ka decide kiya aur akhri waqt tak saathme rahe...I still remember jabh ek meet ke baad maine tujhse kaha tha ki Satya tujhe bura lagta hoga na ki puri meet me Web. pr kuch discussion nhi hota aur tera time faltu jaata hai, to tune mujhse kaha tha ki NCC mere liye sirf ek POR ki tarah hi nhi hai, mujhe apna pan sa lagta hai kaam karke, humne milkar decide kiya tha ki hum NCC ko reform karenge!(I felt so supported after hearing this). Ek aur instance aisa bhi tha jabh hum life discuss kar rhe the summer vacation me...bada maza aaya tha..road trips would never be the same without you. Will miss you bhai♥

Prashant Jorwal : Galat branch le liya re tu..bahut kuch chhut gaya saath me karne ko. Ek fact bataun, jitni bhi baar main tujhe room pe jagane aaya tu aajtak uthke nahi saath nahi chala NCC 😊. Cricket me common player banne ka mauka tune kisi aur ko diya hi nahi kabhi. Apna ek baar accha khasa discussion hua tha insti me ghumte hue, yaad rahega..tere views kaafi alag hote hai, bas tu kabhi batata nahi yaar (but I personally feel ki bahut sahi point hote tere). Ladakh trip pe jo nahi chalega usko peetne challenge saath..theek hai. ♥♥♥
