Sarvind Rankawat : Yo bhima! Yaar aap next level sort ho! Aapsey kaafi life tips liye hein. Aapka management god hai and utna hi god aapka commitment hai. I haven't seen more intimate bonding with mess workers by anyone! Sharing a meal with them, asking them about their family, getting T-Shirts for them, all of it shows the kind of great personality you have. It was an honor working with you. Aapney meri mess related kaafee rant suni hai, and itna quick response mainey kabhee nahi dekha hai. Aapko org color mila, usko aap sey jyada koi deserve nahi karta. Aapsey milenge firsey, till then bye!
