If you could pack up a bunch of things from the institute to keep with you forever, what will those be?

The answer is obviously all my friends. The journey would not have been so amazing without them.

Pushkar Chaudhari : Memories - big snake before pe1 mid-sem, the trips to LA classrooms to study for end sems (u r much faster than most of us in solving any and all problems), watching the intern at 2am after the bday celebration, ae watan song on republic day at 8am in H1, our mini trek to Sameer hill (Once this is over, we are going for a real trek in the north - THE WINTER IS COMING). More recently, the cycling in SGNP to kanheri caves, surprise meeting at marine drive, watching movies in H18. You are among very few with whom I've shared the suffering moments in IITB. Thanks for being there for me, mate. I Hope that your dream of starting a travelling/trekking startup company is fulfilled.

P T Cherishma : Bhai.. you are the most positive, optimistic, Chill n Ek dum tension free bandha whom I met at IITB😂 I envy that nature of yours.. We became friends bcz of Igatpuri camping trip..manna padhega.. tera driving skills amazing hai be👉 I will miss all the choti choti conversations we had regarding meetngs for MTP, placements k liye padhai, our PEPS group outings😂, 4 bajte hi Coffee at Shiru😂, Mafia khelna at SAC etc..Glad that we became friends😊 but then tu kitnaaa irritate karta hai be😂 I wish you all the success for your future at Enphase..!! B'lore mein milte hai apan😂

Sancho Simmy Louis : My ISCP mentor who made settling down at IITB easy for me.A super-chill dude who also made WEL lab a bit more bearable :p A man of many talents :D Will miss you buddy !!!!!

Romil Jain : Marwaari saala kanjoos!!! Jo bhi ho bhai tune hi itni saari trips possible karwaayi hai. Bhale koi kitni bhi gaali de, you were eveready to plan a trip. Sandeep Narayanan : The chilliest person in peps, it was lot of fun during our MTP last stage. U were of great support to all us during placements by being our "One man Placement cell" and during MTP by being my "Local Element-14". We will compensate for our Lamington road trip that never happened, in B'lore. Will have lot more fun, hoping to see you soon buddy!!!

Harsh Kumar Bhargav : Hi modani bhai :), aapki life ka ek hi mission h -- trekking in any situation, any time. Mujhe yaad rahega k easy bol kr tu mujhe aise trek le gya tha jha hath se trekking karni padi. Baki to khush rehta h apna modani. “Is speaker ki battery Khatam ho gyi h” ye wala incident bhi mast tha bhai. First time I met u after 1 semester despite having in wel lab. All d best bhai.

Chandan Choudhary : Humara Trip planner and tourist guide (Modani Tours and Travels :D). u were te one jo trip ka naam sunte hi excited hojata tha and hume kuch nai karna padtha tha. Haan Pareshan to karta tha mai but dosti me utna hak to mera bhi banta hai. Abhi tak itna macahaya hai aage bhi machayenge. Thank you for all those memorable trips and parties. agar tu na hota to yea sab sayad nahi hota. And sorry for that rough patch. wish u all the very best in life, see you soon, aur macahte hai firse

Prabhat Chowdhary : gir jayega, mar jayega, sar fatt jayega! This guy is attracted more to lights than to chicks.. Modani bhai life ko full energy se jeene mei rehte hain. He has been wrestled to death quite a few times now. But bhai ka gussa jab naak pe aajaye to bhagwaan malik hai, is a marwadi marathi mix doesn't know either of the languages. He has been a perfect partner in crime. He can take people on trips to far off lands be it in a car or in a room. Every party has been a blast, every day has been a party.
