Kumar Saunack : Your ability to 'get work done' still amazes me. Plus your uncanny ability to get marks. Although I do hope that you stop crying too much. I'll wait to see if you finally binge watch everything on Netflix (and also the day you convert to non-veg). My bet for the former is before you join Honda. For the latter, well, depends on how easily you get fed up of Japanese food. Seriously, stop crying too much.

Naman Jain : Yo, You are the chilliest of people I have ever met. From your epic and insanely huge tv series completed kaafi suggestions liye h maine. Rona band krde bas ab tu. All the best for Japan and yaad h na what shubham told about extra job opportunities there?

Shreyas Pimpalgaonkar : You are born with a good random number seed, and you take the full advantage of it. I'm going to miss you when you go to Japan. Please touch me rehana, bhul mat jaana mujhe. Bahot maze kiye hai tere saath, and I hope that our paths cross again :)

Sunchu Rohit : I just like the way you chill man ! One thing I've learned from you is how to piss someone off within the first minute of the conversation :D Good luck for your future!

Prashant Jorwal : Backchodi ke alawa humne saath me aur kiya hi kya hai. Sense ki baaten to humne pauranik kathaon pe bhi nahi ki 😊. Inhi backchodiyon ke naam ye post. "Yoda dance" is ♥

Ritesh Goenka : Bhai labs and courses to bahut udaye hai humne - jab aur bacche kaam kar rahe ho tab chill maaro and jab unka khatam ho jaaye to pooch lo. Late night discussions bhi kaafi hui hai tere saath - I even remember one from our freshie year where you were asking me if you should join a student club or not. Baaki tu kaafi chill, smart and cool banda hai yaar (is se zyaada tareef na ho payegi teri mujhse); but I feel that you always underestimate yourself. I know that you can achieve anything you want if you are determined enough. Call karna to nhi band karunga - bas Japan me ghoomne aaun to kharcha tera :P

Manoj Middepogu : Yo Aman, i am also feeling lazy like you now, can't write more than this but can write less than 700 words. you used to chill a lot even during placements, btp meets, should've learnt something from u. I too started 2 hrs prep bcz of you in the last sem. Finally watched a cricket though missed csk vs mi. Don't die in japan 🇯🇵. stay safe
