Azmera Akhil : My nigahiga where should I even start bro !!! You were and should always be my lifeline bro.those FIFA times at Ramaiah, those FIFA times in our hostel ,those FIFA times at gear up and arguing with that nibba at front desk! FIFA is common but has different memories. From Laksmi to hoppipola to sunny we know that we the best times. Also those chai sutta breaks cozz we are stressed about our future and you would always console me give me gyan and then we are in a dilemma whether to cross the road or take the foot over bridge. I've learned a lot from you homie.Also handle your phone with care bro cozz the cracks on s9 is more than the cracks of my hostel 8. Sm to talk abt but it can't fi.....

Swarali Ghodkhande : Adarsh Bro!! I had heard a lot about you, but we only met during our intern. Yaar kya maze kiye the DRL me, I wish we could repeat that bike ride wala night out <3, imagica visit, and Cabo playing sessions. You are an amazing person who keeps repeating the same jokes again n again and still manages to make others laugh and yes, your singing skills are extraordinary :P. Thanks for all your help<3 Stay in touch.

Mukul Jangid : Kitne snacks khaata hai be tu. Jab bhi room aata tha humesha pura stock khatam kar deta tha. But tumhare saath padhna alag fun hota tha bhai. Baaki toh project karke bhi bohot majaa aaya aapke saath (itni mehnat karte meine kabhi kisi ko nahi dekha :p). Tumhare jitna savage insaan nahi dekha meine kabhi. Last mein kaabo sikhane ke liye thanks. Stay in touch<3

Prem Agrawal : "Dumbfuck" bhai tu hmesha hi mere saath rha h♥♥, kyu?? meko nhi chahiye tu, hr baar mere jokes ki udata rehta h. Bhai tu best h, jb saath intern lgi thi tb itna nhi pta tha ki tu bhai hi bn jayega intern khatam hote hote. Goa trip ♥♥ and uske baad lakeside wali walk yaad h 😂😂. DRL BEST INTERN me kaafi mze kiye apan ne and best part was kunugulu and samosas, midnight pura Hyderabad ghumna and a lot more. And Piyush ne sufficient tareef kr hi di thi tere singing talent ki but DJ acha h. Tu bohut acha h dil se, legit galat chizo me bhi acha dekh leta h and justify kr deta h. Infi hardworking banda h. Endless number of time help ki h tune and Dalvi ne. Pure sem infi bakchodi ki h ♥

Chitrangna Bhatt : Yo bro, I'd remember u more from the treats and u being like "mat bataana ***** ko" haha. But tujhe bhi chup rehna hota hai na uske liye. IC tenure m kitna mafia and poker khele hai, and coming back from goa bhi, and haan that last box cricket <3 so much funn. But tu dosa ki jagah hide and seek Kyu laya tha? 😂😂 Keep in touch <3

Rohan Potdar : Sasti, sutta partner, wiw founder; kam khaya kar thoda bro. Bohot secrets share kiye hai apan ne and lets keep it that way :P Aankh mein ungli daal daalkar rone mein bada maza ata tha teko, accha hua vo band ho gya ab :P Kaafi helpful raha hai tu in these 2 years <3 Aya kar kabhi pimpri-chichwad mein, mera bhi every alternate week visits hote rahenge in Attavar Nivas ;) Keep in touch!

Arya Mithu Garg : Bro, alag level hai tu bhai. Sahime miss karunga tum logo ke mom jokes and itna serious hoke jagade karna (And end me pata chlata tha tum log masti karre the bas). Bhai miss karunga tere songs ko, you were the best DJ we ever had. But smart nikla bhai tu, jab train me the to Goa, "Abe ladkiyaan akele safe nai, ek kaam kar Chitrangna ko lee jaa" :P Bhai pata hi nai chalne diya. Bot respect thi bro, ki tu 2nd time in just a small interval team ke sath vapas gaya. Bhai ese hi sorted rehna, I have never seen you judge someone, tu humesha sochta ki kuch circumstances rahe honge kisike actions ke piche. Baki milte rahegne, See you in october <3

Trivedi Karan Paresh : Sasti boi! I'm so glad we met! These last 4 years have been a such a fantastic experience with you - PUBG in my wing, kaabo in PO, football at H3...We were practically two nuts in a ball sack for most of 3rd year :P Your quirky and twisted sense of humour will always be one of the highlights of all our group hangouts. I love how you care so deeply about others and have been the glue that has held our little group together. The first APM to be selected from insti in over 3 years - now that's some serious gourmet shit! I'm confident you'll shine wherever you go...jald se jald milte hai and ek aur outing karte soon! Wiw

Mudita Rana : Sasti!! I reaaaalllyyy wish I was there to see you say the famous "Loser" dialogue 😭 woh badi regret rahegi. I remember the time teri DRL intern lagi thi, I was suuuuper happy for you. Tab hum kam baat karte the but I always felt happy whenever things worked out for you. Cavalry ka rona yaad rahega zindagi bhar 😂 and Goa was the best memory I have with you guys. Yes I admit you were better at heads up (kitna hassaya hai bhai I'm laughing while typing this out too 😂😂😂), making Rohan guess even after the game's over 😂😂 but mafia and all me I'm the pro and you can't deny that :) thanks for all the help during the tenure too. Stay in touch and kill it wherever you go ❤️

Nishant Jannu : Attavar bhai. Sucks that we didn't know each other in H15, even though we lived on the same floor. I think we even shared a couple of cab rides to the airport, with Akhil anna and Nithin and oddly still gave no fucks about each other. And then H3 happened, and you introduced me to your wing. There's been no looking back after that, we've had lots of fun times on and off the pitch (intentional- makes us look like pros). Loved playing football with you, our partnership was epic. I respect your dedication in walking all the way to mohini from soda bottle in heavy rain that night lol - sickk memory broo. All the best, milte rahenge- FIFA practice karle, keyboard wala excuse nahi chalega ab!

Neil Dalal : Attavar!! Goa me street pe saath me chilled beer peena, Lonavla me water polo, Kashid me playing catch, Effingut me classy songs pe vibe hona, Kabo, Poker, Mafia and the list never ends. Tere on spot comments and comebacks are unbeatable, even if sometimes they make zero sense. It is said a person is not how he treats his friends and acquaintances, but it is his behavior towards strangers. Humesha kaafi understanding, considerate and mindful of every person you meet or hear - "aree kuch to reasons hoge uske", "aree esa kyu karna he, usko problem hoga"..... Also bsdk, time pe aaya kar humesha. Prem and mene tera kitna wait kiya he PO ke neeche. Chal ab bye, word limit reach hone aayi, ye las

Aadarsh Pratik : Macha raha hai bro!;DAll the bakchodi in the labs and while playing football.....Kaafi maaze kiye these last few years. And yes....If anyone doesnt believe u when u tell the story of the stranded airplane, lemme know.....videos hai mere pas(but also include how i accurately predicted the whole thing before it happened haha)

Sachin Tak : Akash!!

Luv Nainwal : Sasti bro! Itna cool kaise hai tu, dumbass? Hamesha PO ke discussions se 2 log saath me jaate the which continued till the Goa trip. Also, woh jugheads wala din. Energy building to Po balcony tak tatti discussion me bhi feel aayi. Even after having infi trips my fav was Panchgani, alag level bonding days <3 The tenure was epic with Mafia, Poker, card games, headsup etc But next time pakka Main gate Chai peene chalunga saath me 😊 From Hilltop Football, to Holi in Goa <3 Lonavala me poolside game harane se Daman me Machane tak, lit experiences rahe hain. Itna pre-booze nhi karte 😊 Houseparty discussion bhi next level tha afterall we always had one common topic of discussion xD BLR is on! <3

Sarthak Sharma : Sasti bro <3 Lol first year ke NSO sessions aur election treat se lekar last 2 saal ki bakchodi :p Bro tune hi bigada hai sabko XD Sunny aur Amul Parlour ki woh daily outings yaad rahegi hamesha! Tera har treat mai rona aur phir zabardasti eyes mai fingers daalke aansu nikalna was probably the most unique thing about our team outings :p kafi random senti :) Will cherish all these memories, trips toh apni kafi awesome rahi hai let's hope aage bhi isi tarah karte rahenge wanna see a Losers Part 2 since mai original ke time tha nhi XD P.S. - bro tu 1st nhi hai ranking mai :p

Bohra Ankit Narendra : Yo Attavar! First time jab groundwork pe mile the, i was like yeh insaan kaafi logical and confident hai, he's surely grabbing a spot in the team and it did come out to be true! It was a nice tenure. You were a great Co. Unfortunately DRL mein zyaada time saath mein chill nahi maar paaye the. I'll always remember the treat where you were drunk and wanting to blurt out the secret and me trying to prevent it😂. Flipkart macha diya tha tune. All the Best!! Stay in touch!
